For members who have requested for physical copy or who have not registered their email address, physical copies of the Notice and Annual Report are being sent through permitted mode.
18. Queries on the Annual Report and operations of the Company, if any, may please be sent to the Company at least seven days prior to the date of the AGM so that answers may be provided at the Meeting.

19. With a view to serving the Members better, members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company or RTA to consolidate their holdings in one folio.

20. The Notice of the AGM and the Annual Report for the Financial Year 2018-19 are also available on the Company's website www.apmindustries.co.in. The Notice is also available on www.evoting.nsd.com.

21. The Company has a dedicated E-mail address csapmindustriesltd@gmail.com or delhi@apmindustries.co.in for members to mail their queries or lodge complaints, if any. We will endeavor to reply to your queries at the earliest.

The Company's website www.apmindustries.co.in has a dedicated section on Investors.

22. The Dividend as recommended by the Board of Directors, if declared at the Annual General Meeting, will be paid within 30 days from the date of declaration, to those members whose names appear on the Register of Members as at **Friday, September 20, 2019**. The Final Dividend is Rs. 0.50/- per Equity Share.

23. In order to enable the Company to directly credit the dividend amount in the bank accounts:

- Shareholders holding shares in demat accounts are requested to update their Bank Account details with their respective Depository Participants.
- Shareholders holding shares in physical form are requested to provide the cancelled cheque (should be mentioned on the cheque Name of first account holder, Bank Name, Branch, IFSC Code, MICR Code) along with an authorization letter allowing the Company to directly credit the dividend in their bank accounts.

Attention of the members is drawn to the provisions of Section 124(6) of the Act which require a company to transfer in the name of IEPF Authority all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more.

In accordance with the aforesaid provisions of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has initiated necessary actions for transfer of the shares in respect of which dividend declared for the Financial Year 2011-12 (Final Dividend) and 2012-13 (Interim Dividend) has not been paid or claimed by the members for 7 (seven) consecutive years or more. Members are advised to visit the web-link: <http://apmindustries.co.in/transfer-to-iepf/> to ascertain details of shares liable for transfer to the IEPF Authority.

Members are requested to note that no claim shall lie against the Company in respect of any shares/ dividend amounts so transferred to the IEPF Authority. The shares transferred to the IEPF can be claimed back by the concerned member(s) from the IEPF Authority after complying with the procedure prescribed under the IEPF Rules.

25. Voting Options:

The business set out in the Notice of the AGM may be transacted through electronic voting system or Polling Paper. The Company is providing facility for voting by electronic means. Information relating to remote e-Voting facility and voting at the AGM is given below:

Voting through electronic means-

I. In compliance with the provisions of Section 108 and other applicable provisions, if any, of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended, Regulation 44 of the SEBI Listing Regulations, 2015 and Secretarial Standard on General Meetings (SS-2) issued by The Institute of Company Secretaries of India (the 'ICSI'), the Company is pleased to provide facility to the members to exercise their right to vote using an electronic voting system from a place other than venue of the Meeting ("**remote e-Voting**") in respect of all resolutions proposed to be considered at the 45th AGM to be held on Saturday, September 28, 2019 at 11:30 A.M. The Company has engaged services of National

Securities Depository Limited (hereinafter referred as "NSDL") to provide remote e-Voting facility of casting the votes by the members.

II. The facility for voting through Polling Paper ("Poll") shall also be made available at the AGM and the members attending the Meeting who have not cast their vote by remote e-Voting shall be able to exercise their right at the Meeting through Poll at the AGM.

III. The shareholders can opt for only one mode of voting i.e. remote e-Voting or Poll at the meeting. In case of voting by both the modes, vote cast through remote e-Voting will be considered final and voting through Poll at the Meeting will not be considered. The members who have cast their vote by remote e-Voting may also attend the Meeting but shall not be entitled to cast their vote again.

IV. The remote e-Voting period commences at **9:00 A.M. (IST) on Wednesday, September 25, 2019** and ends at **5:00 P.M. (IST) on Friday, September 27, 2019**. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the Cut-off date **Saturday, September 21, 2019** ("Cut-off date"), may cast their vote by remote e-Voting. No remote e-Voting shall be allowed beyond the aforesaid date and time and remote e-Voting module shall be disabled by NSDL upon expiry of aforesaid period. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.

V. The instructions for remote e-Voting are as under:

- Members whose email address is registered with the Company / Depository Participant will receive an e-mail from NSDL. Open e-mail and open PDF file viz.; "Remote e-Voting.pdf" with your Client ID or Folio No. as password. The said PDF file contains your User ID and Password for remote e-Voting. Please note that the password is an initial password. Members are requested to go through the following steps to cast votes through remote e-Voting.

EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013)

Items to Special Business**Item No. 4**

Shri Khushi Ram Gupta (DIN: 00027295), M.Com. retired as Member, Central Board of Direct Tax, New Delhi. He worked in the Income Tax Department for about 35 years in various capacity. He had an overall experience about 60 years in taxation, accounting and financial matters. Shri Khushi Ram Gupta joined the Board of the Company on 20.11.1992 as an Independent Director.

As per the transition to the Companies Act, 2013, the members at the Annual General Meeting held on September 25, 2014, had approved the appointment of Shri Khushi Ram Gupta (DIN: 00027295), as a Non Executive Independent Director of the Company for a period of 5 consecutive years commencing from April 01, 2014 to March 31, 2019.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors vide resolution dated February 26, 2019 proposes the re-appointment of Shri Khushi Ram Gupta as Independent Director, for a second term of five years from April 01, 2019 up to March 31, 2024, not liable to retire by rotation, subject to the approval of shareholders in the 45th Annual General Meeting. The Company has, in terms of Section 160(1) of the Act

received in writing a notice from a Member, proposing his candidature for the office of Director.

The Board, based on the performance evaluation and recommendation of Nomination and Remuneration Committee, considers that given his background, experience and contribution, the continued association of Shri Khushi Ram Gupta would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director.

The Company has received a declaration from him to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). In terms of Regulation 25(8) of SEBI Listing Regulations, he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties.

In the opinion of the Board, he fulfills the conditions specified in the Act and SEBI Listing Regulations for appointment as an Independent Director and is independent of the management of the Company. The terms and conditions of his appointment shall be open for inspection by the Members at the Registered Office of the Company during the normal business hours on any working day

and will also be kept open at the venue of the AGM till the conclusion of the AGM.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of SEBI Listing Regulations and other applicable Regulations, the re-appointment of Shri Khushi Ram Gupta as Independent Director is now being placed before the Members for their approval by way of Special Resolution.

The Board recommends the Special Resolution at Item No. 4 of this Notice for approval of the Members.

Except Shri Khushi Ram Gupta and his relative, none of the Directors and Key Managerial Personnel of the Company and their respective relatives is, in any way, concerned or interested, financial or otherwise, in the resolution set out in item No. 4 of the Notice.

Item No. 5

Shri Ram Ratan Bagri (DIN: 00275313), B.E. (Civil & Mech.) and M.S. (San) from New York, USA., is a qualified engineer. He has wide experience of more than 52 years in industry. Shri Ram Ratan Bagri joined the Board of the Company on 24.01.2003 as an Independent Director.

As per the transition to the Companies Act, 2013, the members at the Annual General Meeting held on September 25, 2014, had approved the appointment of Shri Ram Ratan Bagri, as a Non Executive Independent Director of the Company for a period of 5 consecutive years commencing from April 01, 2014 to March 31, 2019.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors vide resolution dated February 26, 2019 proposes the re-appointment of Shri Ram Ratan Bagri as Independent Director, for a second term of five years from April 01, 2019 up to March 31, 2024, not liable to retire by rotation, subject to the approval of shareholders in the 45th Annual General Meeting. The Company has, in terms of Section 160(1) of the Act received in writing a notice from a Member, proposing his candidature for the office of Director.

The Board, based on the performance evaluation and recommendation of Nomination and Remuneration Committee, considers that given his background, experience and contribution, the continued association of Shri Ram Ratan Bagri would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director.

The Company has received a declaration from him to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). In terms of Regulation 25(8) of SEBI Listing Regulations, he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties.

In the opinion of the Board, he fulfills the conditions specified in the Act and SEBI Listing Regulations for appointment as an Independent Director and is independent of the management of the Company. The terms and conditions of his appointment shall be open for inspection by the Members at the Registered Office of the Company during the normal business hours on any working day and will also be kept open at the venue of the AGM till the conclusion of the AGM.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of SEBI Listing Regulations and other applicable Regulations, the re-appointment of Shri Ram Ratan

Bagri as Independent Director is now being placed before the Members for their approval by way of Special Resolution.

The Board recommends the Special Resolution at Item No. 5 of this Notice for approval of the Members.

Except Shri Ram Ratan Bagri and his relative, none of the Directors and Key Managerial Personnel of the Company and their respective relatives is, in any way, concerned or interested, financial or otherwise, in the resolution set out in item No. 5 of the Notice.

Item No. 6

In terms of the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, the Company is required to maintain Cost Audit records and have the same audited by a Cost Auditor. Based on the recommendation of the Audit Committee, the Board of Directors at its meeting held on August 01, 2019, re-appointed Shri Naresh Kumar Goel, Cost Accountant (Membership No. 9876) as the Cost Auditor for conducting the Cost Audit for the financial year 2019-2020, on a remuneration of Rs. 50,000/- (Rupees Fifty Thousand only) apart from reimbursement of out-of-pocket expenses incurred for the purpose of Audit.

Rule 14 of Companies (Audit and Auditors) Rules, 2014 as amended, requires that the remuneration payable to the Cost Auditor be ratified by the Members. Hence, the resolution set out at Item No.6 of the Notice.

The Directors recommend that the remuneration payable to the Cost Auditor in terms of the resolution set out at Item No. 6 of the accompanying Notice be ratified by the Members by way of Ordinary Resolution.

None of the other Directors or Key Managerial Personnel of the Company and their respective relatives is, in any way, concerned or interested, financial or otherwise, in the resolution set out in item No. 6 of the Notice.

Annexure - 8**MANAGEMENT DISCUSSION AND ANALYSIS**

[Schedule V – Regulation 34(3) of SEBI (LODR) Regulations, 2015]

Introduction

Management Discussion and Analysis mainly comprise of the statements which, inter-alia, involve predictions based on perceptions and may, therefore, be prone to uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which are forward looking within the meaning of applicable laws and regulations. The actual results could differ materially from those expressed herein specifically or impliedly.

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

In India, many states announced capital subsidy and interest subsidy apart from the Technology Upgradation Fund Scheme (TUF) announced by the Government of India for new investments in the textile sector. The Director General of Foreign Trade revised rates for incentives under the merchandise exports from India scheme for two sub sectors readymade garments and made ups from 2 to 4%. Also the Textile Ministry earmarked Rs. 690 Crores for setting up readymade garment manufacturing units in seven states for the development and modernization of Indian textile sector.

With positive sentiments about consistent growth projections for India, we expect to do well in coming years.

b) OPPORTUNITIES & THREATS

We expect that there will be good growth potential in the apparel sector. With the growth of automobiles, demand for technical textiles will also increase. The awareness of fashion amongst the young generation is pushing up the per capita consumption of textiles in India. The Government of India has been given special incentives to the garment sector under TUF Scheme and the Director General of Foreign Trade has also revised rates of incentives under merchandise export from 2 to 4%, which all are opportunities.

The uncertainty in the market due to sluggish demand, increased power cost in Rajasthan, and short term disruptions due to implemented Good & Service Tax (GST) is a threat to the industry. Also there is a shortage of skilled/unskilled labour, which may affect the working of the Company.

c) SEGMENT-WISE PERFORMANCE

The Company has only one line of business, i.e., manufacturing of synthetic blended yarn during the year under review, hence no segment wise information is required. The Company has no activity outside India, except export of yarn manufactured in India, therefore, there is no geographical segment .

d) OUTLOOK

India is expected to grow annually at around 7% between 2018-2022, the Indian middle class is forecast to expand at 19.4% a year over the same period. As a result, India is expected to emerge as one of the most attractive textile consumer markets.

The Indian home textile industry is projected to grow at 8% during 2017 to 2021.

To take advantage of the opportunities, the Company continues to modernize its plant and machinery and add balancing equipment to improve quality of products.

e) RISKS & CONCERNS

Volatile oil prices directly influence pressure on polyester fiber prices almost on daily basis. This cannot be passed on to the customers on a day to day basis. Hence new element of risk has been introduced in the yarn industry. Also the non-availability of trained/skilled man power is a matter of concern.

f) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a professional internal control system, which provides adequate safeguards and effective monitoring of transactions. The Company has a strong internal audit system and an Independent Internal Auditor. The Internal Auditor reports to the Chairman, and the Audit Committee of the Board. Personnel of the Internal Auditor conduct periodical audits in all the areas to ensure that the Company's control mechanism is properly followed and all statutory requirements are duly complied with.

g) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATING PERFORMANCE

The operating performance of the Company has been discussed in the Directors Report under the head financial summary and state of Company affairs/operations. The Profit Before Tax for the year 2018-19 was Rs. 811 lakhs as against Rs. 1802 lakhs in the year 2017-18. The profitability of the Company was effected due to heavy fluctuations in raw material prices, particularly synthetic staple fiber, because of the heavy fluctuations in crude oil prices. The profitability is also lower due to demerger of the Finance and Investment undertaking w.e.f. 01.04.2018.

h) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company treats its human resources as its most important asset and believes in its contribution to the all round growth of the Company. Your Company's progress is a reflection and outcome of the human resources it has. Your Company has fostered a culture of ownership, accountability and self-evaluation that encourages employees to continuously improve their efficiency. The industrial relations remained cordial throughout the year.

i) OVERVIEW OF THE COMPANY'S PERFORMANCE

During the year 2018-19, the production of synthetic blended yarn was slightly lower i.e. 169 lakh Kgs as compared to 173 lakh kgs in 2017-18. The total income also decreased from Rs. 28464 lakhs to Rs. 27365 lakhs. This was due to a decrease in the sale volume of finished products. Net profits reduced from Rs. 1254 lakhs in 2017-18 to Rs. 734 lakhs in 2018-19, which was mainly due to heavy fluctuations in raw material prices, particularly synthetic staple fibers, because of the heavy fluctuations in crude oil price and also due to demerger.

The earnings per share for the year 2018-19 was Rs.3.40 as compared to the previous year's Rs.5.81.

j) LONG TERM AND SHORT TERM STRATEGY OF COMPANY**Water Conservation**

The Company has undertaken rain water harvesting for preservation of water and also increasing the water level in and around the Company's manufacturing facilities. The Company constructed 6 mini ponds outside the mill area for the purpose of water harvesting in line with ' JAL Swavlamban Abhiyan' of the Government of Rajasthan.

Waste Water Utilization

The Company focused on the prudent utilization of waste water with the objective to put every drop to productive use.

All effluents discharged from the dye house are reused after treatment in the effluent treatment plant (including condensate from the MEE operation). 100% STP treated water is used for various activities including gardening.

Renewable Energy

We believe that investment in renewal energy moderates carbon footprint, reduces energy costs, enhances power security and provides a long term insurance against an increase in power cost. The Company has invested Rs. 415 lakhs to commission roof top solar energy panels of 1.0 MW in 2017-18 with a payback period of around 5 years.

The proactive investments moderated the Company's carbon foot print and power cost.

These activities towards energy conservation reduced 12.40 Lakhs units energy consumption in the year 2018-19.

The Company is planning to install additional capacity of 1.8 MW solar power plant in the year 2019-20 to save power cost. The Company has also changed power supply from 33 KV to 132 KV in the year 2019-20, which will also save power cost.

k) SIGNIFICANT CHANGES IN FINANCIAL RATIOS

During the year, the significant changes in the financial ratios of the Company, which are 25% or more as compared to the previous year are summarized below:

S. No.	Financial Ratios	FY 2018-19	FY 2017-18	Change in %	Reason for Change
1.	Debtor Turnover Ratio	9.60	10.00	(4.01)	-
2.	Inventory Turnover Ratio (RM)	24.41	23.67	3.11	-
3.	Interest Coverage Ratio	2.97	5.59	(46.91)	Due to Lower profitability and demerger during the year
4.	Current Ratio	1.23	1.49	(17.92)	-
5.	Debt Equity Ratio	0.47	0.25	88.60	Due to Reduction in equity because of demerger
6.	Operation Profit Margin (%)	3.09	4.80	(35.68)	Due to Lower profitability and demerger during the year
7.	Net Profit margin (%)	2.72	4.55	(40.21)	Due to Lower profitability and demerger during the year
8.	Return on Net Worth (%)	6.18	6.60	(6.23)	-

l) CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's expectations or predictions may be forward looking within the meaning of applicable laws or regulations. Actual results may differ materially from those expressed or implied.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF APM INDUSTRIES LIMITED
Report on the Audit of the Financial Statements**

1. Opinion

We have audited the accompanying financial statements of APM Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

3. Key Audit Matters:

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Revenue from sale of products (As described in Note 3.5 of the financial statements)</p> <p>Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.</p> <p>The revenue is one of the key profit drivers. The terms of sales arrangements, including the timing of transfer of control, delivery specifications create complexity and judgement in determining timing of sales revenues.</p> <p>Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from Contracts with Customers', it was determined to be a key audit matter in our audit of the financial statements.</p>	<p>Following audit procedures have been performed:</p> <p>Assessed the design and tested the operating effectiveness of internal controls, automated and manual related to revenue recognition.</p> <p>Performed sample test of individual sales transaction and traced to sales invoices, sales orders and other related documents. Checked that the conditions for revenue recognitions are satisfied.</p> <p>Performed inventory reconciliations, substantive testing for cut-offs confirmation of receivables balances and analytical procedure.</p> <p>Assessed the relevant disclosures made within the financial statements.</p>

4. Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including its

Annexures, Corporate Governance and Shareholder's information but does not include the financial statements and our auditor's report thereon. Other Information as described in above paragraph is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Management Discussion and Analysis, Board's Report including its Annexures, Corporate Governance and Shareholder's information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance to correct the same. If material misstatement of the other information remains uncorrected, we may take appropriate action considering our legal rights and obligations, to seek and have the uncorrected misstatement appropriately brought to the attention of the user for whom the Auditor's Report is prepared

5. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained,

whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with Governance, we determine those matters that were of most significance in the Audit of Financial Statements of the current period and are therefore the key audit matters. We Describe these matters in our Auditor's Report unless Law or Regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our Report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communications.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B". Our report expresses unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the company has paid the remuneration to

its directors during the year as per section 197 read with schedule V of the Companies Act, 2013.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its Financial Statements- Refer Note 37 of the Financial Statements.
 - ii. the Company has made provision, as required under the applicable law or accounting standards for material foreseeable losses. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE "A" REFERRED IN INDEPENDENT AUDITORS REPORT OF EVEN DATE

The Annexure referred to in Independent Auditors' Report to the members of APM Industries on the Financial Statements for the year ended March 31, 2019, we report that:

- i. a. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- b. These Fixed assets have been physically verified by the management during the year pursuant to a regular programme designed for physical verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c. According to the information and explanation given to us, title deeds and lease agreements of the immovable properties have been mortgaged as security with lenders i.e. banks for security of the borrowings raised by the Company. On the basis of our examination of the records of the Company and the copies of the title deeds and lease agreements available with the Company, the title deeds and lease agreements of immovable properties are held in the name of the Company.
- ii. Physically verification of inventories has been conducted at reasonable interval by the management and no material discrepancies were noticed.
- iii. According to the information and explanations given to us, the Company has not granted any loan, secured or unsecured, to companies, firms, LLP firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the clause iii (a), (b) and (c) of paragraph 3 of the Order are not applicable to the Company.
- iv. According to the information and explanation given to us, the company has not, directly or indirectly, advance any loan, including any loan represented by a book debt, to any of its directors or to any other person in whom the directors are interested or give any guarantee or provide any security in connection with any loan taken by him or such other person. The Company had complied with the provision of Section 186 of the Companies Act, 2013 regarding investment and loan.
- v. According to the information and explanations given to us, the Company has not accepted any deposit during the year. Accordingly, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company specified by the Central Government under Sub Section (1) of Section 148 of the Companies Act, 2013 and rules thereunder and are of the opinion that prima facie the prescribed cost records have been made and maintained. We have however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- vii. a. The Company is regular in depositing undisputed statutory dues including Provident Fund, Employee State Insurance, Income Tax, Good and Service Tax, Customs Duty, cess and other statutory dues, as applicable with the appropriate authorities and there are no undisputed statutory due outstanding at year end for a period of more than six months from the date they became payable.
- b. According to the information and explanation given to us, there were no disputed amounts payable in respect of Income Tax, Sales Tax, Service Tax, Customs Duty, Value Added Tax or cess as at March 31, 2019 except:

Name of the Statute	Nature of Dues	Amount (Rs. in lakhs)	Period to which amounts relates	Forum where dispute is pending	Remarks
The Central Excise Act, 1944	Excise Duty	138	FY 2016-17	Commissioner (Appeal)	Adjustable from GST Input Tax Credit Balance
Finance Act, 1994	Service Tax	7	FY 2015-16 FY 2016-17	Commissioner (Appeal)	
The Central Excise Act, 1944	Excise Duty	3	April 2017 to June 2017	Assistant Commissioner

Annexure-B REFERRED IN INDEPENDENT AUDITORS REPORT OF EVEN DATE

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of "APM INDUSTRIES LIMITED ("the Company") as of March 31, 2019 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India

("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

1. Company Overview

APM INDUSTRIES LIMITED (the Company) having its registered office at SP-147, RIICO Industrial Area, Bhiwadi, Dist. Alwar-301019, Rajasthan India, is a Public Limited Company domiciled in India and is incorporated in India under the provisions of Companies Act, 1956. The company is engaged in the manufacturing and selling of Man Made Fibre's Spun Yarn and Sewing Thread Business. The corporate office of the Company is located at 910, Chiranjiv Tower, 43, Nehru Place, New Delhi-110019, India.

2. Recent accounting pronouncement**Standards issued but not yet effective****Ind AS 116 Leases:**

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees.

The Company will recognize a lease liability measured at the present value of the minimum lease payments. The right-of-use asset is recognised at its carrying amount as if the Standard had been applied since the commencement date, but discounted using the lessee's incremental borrowing rate as at April 1, 2019.

The Company will adopt Ind AS 116 effectively for the annual reporting period beginning April 1, 2019 and the Company is currently evaluating the effect of this amendment on the financial statements.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments:

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, the company needs to assess whether it is probable that the relevant tax authority will accept an uncertain tax treatment used or a treatment which is being proposed to be used in its income tax filings.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019 and the Company is currently evaluating the effect of this amendment on the financial statements.

Amendment to Ind AS 12 – Income taxes:

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the financial statements.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

3. Significant Accounting policies

3.1 Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended, the relevant provisions of Companies Act, 2013 and guidelines issued by the Security and Exchange Board of India (SEBI), as applicable.

3.2 Basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended, and presentation requirements of Division II to Schedule III to the Act under the historical cost convention on the accrual basis except for the following:

- a. Certain financial assets and liabilities that are measured at fair value
- b. Assets held for sale – measured at the lower of carrying amount and fair value less costs to sell
- c. Defined benefit plans – plan assets measured at fair value

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3.3 Critical accounting judgments and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Although these estimates are based upon the management's best knowledge of current events, actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation: The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingences and commitments: In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, company treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the company do not expect them to have a materially adverse impact on the financial position or profitability.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Income taxes: The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Useful lives of property, plant and equipment: As described in Note 3.8, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

Allowances for doubtful debts: The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgment and estimates.

Inventory Write down: The company evaluate nature of inventory, aging, liquidation and plan of disposal to ascertain write down value of inventory.

Rebates, Incentives and Discount to Customers: The Company's contracts with customers include promises to transfer goods to the customers. Judgement is required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as schemes, incentives, cash discounts, etc. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period.

Estimates of rebates and discounts are sensitive to changes in circumstances and the Company's past experience regarding returns and rebate entitlements may not be representative of customers' actual returns and rebate entitlements in the future.

3.4 Operating Cycle and Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realized or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realized within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3.5 Revenue recognition

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

The Company has adopted Ind AS 115 using the cumulative catch-up method whereby the effect of applying this standard is recognised at the date of initial application (i.e. 1 April, 2018). Accordingly, the comparative information in the Statement of Profit and Loss is not restated. Impact on adoption of Ind AS 115 is not material.

Cost to obtain a contract

The Company pays sales commission to its selling agents for contracts that they obtain for the Company. The Company has elected to apply the optional practical expedient for costs to obtain a contract which allows the Company to immediately expense sales commissions (included in selling and distribution expense under other expenses).

Costs to fulfill a contract i.e. freight, insurance and other selling expenses are recognized as an expense in the period in which related revenue is recognised.

Interest income Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends Dividend income from investments is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Profit/Loss on sale of units of Mutual funds/Bonds/Shares are accounted on transfer of ownership.

3.6 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitor and review the operating results of the whole company as two

segments of man made fibre spun yarn and finance and investment business. Thus, as defined in Ind AS 108 'Operating Segment' the company's entire business falls under the two operating segments and hence the necessary information's has been disclosed in the financial statements. However, the company has demerged its finance and investment undertaking with effect from April 1, 2018 as per scheme of arrangement as explained in Note 39.

3.7 Foreign Currencies

Functional and presentation Currencies: The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit/(loss) in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

3.8 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognized at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and useful lives.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight- line method ("SLM") in the manner prescribed in schedule II to the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the company reflect the periods over which these assets are expected to be used. Such classes of assets and their estimated useful lives are as under;

S. No	Nature of Asset/Component of an Assets	Useful life of assets/components of assets
1	Building	30-60 years
2	Plant and Equipment	25 years
3	Electrical Equipment	10 years
4	Power Generation Unit	40 years
5	Furniture and Fixtures	10 years
6	Office Equipment	5 years
7	Vehicles	8-10 years
8	Computer Software	6 years

Cost of leasehold Land is being amortized over the period of lease of 99 years.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in statement of profit or loss. Fully depreciated assets still in use are retained in financial statements.

3.9 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.10 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.

The Company amortizes intangible assets with a finite useful life using the straight-line method over the useful lives determined by the terms of the agreement /contract. The estimated useful life is reviewed annually by the management.

3.11 Impairment of Assets

Financial assets: The Company assesses on a forward-looking basis the expected credit loss associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

PPE and intangibles assets: Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

3.12 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognized only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

3.13 Leases

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Operating Lease: Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognized in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

Finance Lease: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in statement of profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

3.14 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.15 Provisions and Contingent Liabilities:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is disclosed, where an inflow of economic benefit is probable. An entity shall not recognize a contingent asset unless the recovery is virtually certain.

3.16 Inventories

Inventories of raw materials and stores and parts are valued at lower of cost on Weighted Average Cost and net realizable value. Cost of raw materials and stores and spares is determined on weighted average cost method. Cost comprises all cost of purchase and other cost incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Work in progress and finished goods are valued at lower of cost on Weighted Average Cost and net realizable value. Cost includes direct material, labour, cost of conversion and other overheads incurred in bringing the inventory to their present location and condition.

Saleable scrap, whose cost is not identifiable, is valued at net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion/costs necessary to make the sale.

Due allowance is estimated and made for defective and obsolete items, wherever necessary.

3.17 Non-derivative financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

a. Investments and Other Financial assets

Cash and cash equivalents: The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

Trade Receivables and Loans: Trade receivables are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt Instruments: Debt instruments are initially measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Investment in subsidiary: Investment in subsidiary is recognized at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-Current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

Equity Instruments: All investments in equity instruments other than in subsidiary classified under financial assets are initially measured at fair value. The Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

b. Investments and Other Financial assets – Subsequent measurement

Financial assets at amortized cost: Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

c. Financial liabilities

All financial liabilities are initially recognised at fair value. The financial liabilities include trade and other payables, other financial liabilities, loans and borrowings.

d. Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, carrying amounts approximate the fair value due to the short maturity of these instruments.

e. Derecognition of financial instrument

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liabilities) is de-recognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

f. Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

g. Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

3.18 Impairment of non-financial assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of such reporting period.

3.19 Exceptional items

Items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company are disclosed as Exceptional items in the Statement of Profit and Loss.

3.20 Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Other borrowing costs are expensed in the period in which they are incurred.

3.21 Employee Benefits

Employee benefits consist of short term obligations, contribution to employee's state insurance, provident fund, gratuity fund and compensated absences.

A. Short Term Obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Compensated Absences

The employees are entitled to accumulate leave upto 30 days for future encashment and availment, as per the policy of the Company. The liability towards such unutilized leave as at the year end is determined based on independent actuarial valuation and recognized in the Statement of Profit and Loss.

The classification of the Company net obligation into current and non-current is as per the actuarial valuation report.

The Company fully contributes all ascertained liabilities demanded by Life Insurance Corporation of India for Employee Company Leave Encashment cum Life Assurance (Cash Accumulation) administered by it.

The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Company presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Company has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability.

C. Defined Contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

D. Defined benefit plans:

The Company operates defined benefit plan in the form of gratuity. The liability or asset recognized in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest expenses are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognized in the Statement of Profit and loss.

The Company fully contributes all ascertained liabilities to the APM Industries Limited (Unit Orient Syntex) Employee Gratuity Fund Trust ('the Trust'). Trustees took the policy from Life Insurance Corporation of India to administer contributions made to the Trust.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

3.22 Borrowings

Borrowings are initially recognized at net of transaction costs incurred and measured at amortized cost. Any difference between the prospects (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowing using the effective interest method.

3.23 Manufacturing and operating expenses

The Company classifies separately manufacturing and operating expenses which are directly linked to manufacturing and service activities of the company.

3.24 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Equity shares outstanding during the year –Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential Ordinary shares.

43. Financial risk management and policies

43.1 Capital Risk Management

(a) Risk Management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings less cash and cash equivalents. Total capital is calculated as equity as shown in the balance sheet plus all other reserves attributable to equity shareholders of the Company.

In addition to the above dividends, since year end the directors have recommended the payment of a final dividend of INR 0.50 per fully paid equity share (March 31, 2018- INR 1.00). This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.	108	216

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

43.2 Financial-Risk-Management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, borrowing strategies and ensuring compliance with market risk limits and policies.

a)(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

a)(i)(1) Exposure to interest rate risk related to borrowings with floating rate of Interest**(Rs. In Lakhs)**

Particulars	As at March 31, 2019	As at March 31, 2018
Total Borrowings	5,697	4,701

a)(i)(2) Interest rate sensitivity**(Rs. In Lakhs)**

Basis Points	2018-19	2017-18
50 basis point increase would decrease the profit before tax by	(28)	(24)
50 basis point decrease would Increase the profit before tax by	28	24

a)(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to import of store and spare and other materials. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

b) Credit Risk:

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing with creditworthy customers.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as actual or expected significant adverse changes in business, operating results, financial or economic conditions, credit risk on other financial instruments and third party collateral guarantees or credit.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors such as financial condition, ageing of accounts receivable and the Company's historical experience for customers.

As at March 31, 2019, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

44. Financial Instrument by category and hierarchy**A. Financial instruments by category**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and others approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

A. The carrying value and fair value of financial instruments by categories as at 31 March 2019 were as follows:
