NOTICE TO THE MEMBERS

NOTICE is hereby given that the 44th Annual General Meeting (AGM) of the Members of **APM Industries Limited** will be held on **Saturday** the **22nd** day of **September, 2018** at **11.30 A.M.**, at its Registered Office at **SP-147, RIICO Industrial Area, Bhiwadi, Dist. Alwar (Rajasthan) – 301019** to transact the following business:

ORDINARY BUSINESS

- To receive, consider and adopt:
 - the Audited Standalone Financial Statement of the Company for the financial year ended March 31, 2018, together with the Reports of the Board of Directors and Auditors thereon; and
 - the Audited Consolidated Financial Statement of the Company for the financial year ended March 31, 2018, together with the Report of the Auditors thereon.
- To declare final dividend of @ Re.1.00 per equity share (i.e. 50 %) on face value of Re.2.00 per share for the Financial Year 2017-2018.
- To appoint a Director in place of Shri Hari Ram Sharma (DIN: 00178632), who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS

4. REVISION IN TERMS OF REMUNERATION OF SHRI RAJENDRA KUMAR RAJGARHIA (DIN: 00141766), CHAIRMAN OF THE COMPANY

To consider and if thought fit, to pass with or without modification(s) the following resolution as **SPECIAL RESOLUTION**:

“RESOLVED THAT in partial modification of resolution passed in this regard by the members of the Company at 42nd Annual General Meeting held on September 24, 2016 and pursuant to the provisions of Section 196, 197, 198 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the consent and ratification of the members be and is hereby accorded that **Shri Rajendra Kumar Rajgarhia (DIN: 00141766)** Chairman of the Company be paid remuneration by way of Salary, Perquisites and Allowances as approved by the Members at annual general meeting held on September 24, 2016 as minimum remuneration with effect from June 1, 2018 for the remaining period of his tenure ending on May 31, 2021, in case where in any financial year, during the currency of the tenure of **Shri Rajendra Kumar Rajgarhia** as Chairman, the Company has no profits or its profits are inadequate, subject to the limits and conditions prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time and subject to necessary approval, if any.

RESOLVED FURTHER THAT except for the aforesaid revision in terms of remuneration, all other terms and conditions of his appointment as Chairman of the Company, as approved by the resolution passed at the 42nd Annual General Meeting of the Company held on September 24, 2016 shall remain unchanged.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this Resolution.”

5. REVISION IN TERMS OF REMUNERATION OF SHRI HARI RAM SHARMA (DIN: 00178632), MANAGING DIRECTOR OF THE COMPANY

To consider and if thought fit, to pass with or without modification(s) the following resolution as **SPECIAL RESOLUTION**:

“RESOLVED THAT in partial modification of resolution passed in this regard by the members of the Company at 42nd Annual General Meeting held on September 24, 2016 and pursuant to the provisions of Section 196, 197, 198 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the consent and ratification of the members be and is hereby accorded that **Shri Hari Ram Sharma (DIN: 00178632)** Managing Director of the Company be paid remuneration by way of Salary, Perquisites and Allowances as approved by the Members at annual general meeting held on September 24, 2016 as minimum remuneration with effect from June 1, 2018 for the remaining period of his tenure ending on May 31, 2021, in case where in any financial year, during the currency of the tenure of **Shri Hari Ram Sharma** as Managing Director, the Company has no profits or its profits are inadequate, subject to the limits and conditions prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time and subject to necessary approval, if any.

RESOLVED FURTHER THAT except for the aforesaid revision in terms of remuneration, all other terms and conditions of his appointment as Managing Director of the Company, as approved by the resolution passed at the 42nd Annual General Meeting of the Company held on September 24, 2016 shall remain unchanged.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this Resolution.”

6. RATIFICATION OF COST AUDITORS' REMUNERATION FOR THE FINANCIAL YEAR 2018-19

To consider and if thought fit, to pass with or without modification(s) the following resolution as an **ORDINARY RESOLUTION**:

“RESOLVED THAT, subject to the provisions of Section 148 and all other applicable provisions, if any of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules 2014 (including any amendment therein) the reappointment of Shri Naresh Kumar Goel, Cost Accountant (Membership No. 9876), as Cost Auditor to audit the cost records maintained by the Company for the Financial Year 2018-19 on a remuneration of Rs 50,000 (Rs Fifty Thousand only) (apart from reimbursement of out-of-pocket expenses incurred for the purpose of Audit) be and is hereby ratified by the members of the Company.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this Resolution.”

Company Secretary
(Membership No. 37410)

NOTES

1. The Explanatory Statement pursuant to section 102 of the Companies Act, 2013, in respect of Special Business under Item No. 4 to 6 is annexed hereto.
2. A statement giving the relevant details of the Directors seeking re-appointment under Item No. 3 and fixation of remuneration of Directors under Item No. 4 and 5 of the accompanying Notice, as required by Regulation 36 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 and Secretarial Standard-2 issued by Institute of Company Secretaries of India on General Meetings is annexed herewith.
3. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a member of the Company. Proxies in order to be effective must be received by the company at its registered office or Corporate Office not later than forty eight (48) hours before the meeting.
Proxies submitted on behalf of limited companies, societies, etc., must be supported by appropriate resolutions / authority, as applicable. A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder. The proxy form for the AGM is enclosed herewith.
4. Relevant documents referred to in the accompanying Notice and in the Explanatory Statements are open for inspection by the Members at the Company's Registered Office on all working days of the Company, during business hours upto the date of the Meeting.
5. As per the provisions of the Companies Act, 2013, facility for making nomination is available to individuals holding shares in the Company. The prescribed nomination form can be obtained from the Registrar and Share Transfer Agent (RTA) / Depository Participant (DP).
6. In terms of SEBI circular dated April 20, 2018, a copy of the PAN card and original cancelled cheque leaf/ attested bank passbook showing name of the account holder and bank account details is required to be submitted to the RTA / Company.
7. Members seeking any information with regard to the Accounts are requested to write to the Company at an early date, so as to enable the Management to keep the information ready at the meeting.
8. The company sub-divided the face value of equity shares from Rs.10 to Rs.2. Members were advised to surrender their old share certificates for exchange with the new ones to the Registrar / Company.
9. Members holding shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares. SEBI has mandated that requests for affecting the transfer of securities can be processed only if the securities are held in the dematerialized form with a Depository. For further information, please contact us at delhi@apmindustries.co.in or contact the Skyline Financial Services Private Limited (RTA).
10. Members holding shares in the same name under different Ledger Folios are requested to apply for consolidation of such Folios and send the relevant share certificates to Company or Skyline Financial Services Private Limited (RTA) for doing the needful.
11. The Notice of the AGM along with the Annual Report 2017-18 is being sent by electronic mode to those Members whose email addresses are registered with the Company / Depositories, unless any Member has requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode. The Annual Report will also be made available on the Company's website at www.apmindustries.co.in.
Members are requested to support this Green Initiative by registering / updating their e-mail addresses with the Depository Participant (in case of shares held in dematerialized form) or with Registrar (in case of shares held in physical form).
12. The Register of Directors and Key Managerial Personnel and their shareholdings, register of proxies, register of contacts or arrangements in which Directors are interested, will be available for inspection at the Meeting.
13. The final dividend as recommended by the Board of Directors, if declared at the Annual General Meeting, will be paid on or after September 26, 2018 (Wednesday) to those shareholders whose name appear on the register of members as on September 14, 2018 (Friday).
14. In order to enable the Company to directly credit the dividend amount in the bank accounts:
 - a) Shareholders holding shares in demat accounts are requested to update their Bank Account details with their respective Depository Participants.
 - b) Shareholders holding shares in physical form are requested to provide the following details along with an authorization letter allowing the Company to directly credit the dividend in their bank accounts:
 - * Name of first account holder (as appearing in the bank account records),
 - * Bank name,
 - * Branch name,
 - * Branch address,
 - * Account type and account number,
 - * IFSC code and MICR code and
 - * A copy of cancelled cheque
15. As per Section 124(6) of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules (IEPFA Rules) as amended from time to time, all the shares in respect of which dividend has remained unpaid / unclaimed for seven consecutive years or more are required to be transferred to an Demat Account opened pursuant to IEPFA Rules. Unclaimed / Unpaid Dividend for Financial Year 2010-2011, will fall due for transfer to said IEPF on September 14, 2018. The Company has sent out individual communication to the concerned Members whose dividend is liable to be transferred to IEPF on September 14, 2018, to take immediate action in the matter. Those members who have so far not encashed their dividend warrants from the Financial Year 2010-2011 and onwards, are requested to forward their claims to the Company's Registrar and Share Transfer Agent, at the earliest. In case the dividends are not claimed, necessary steps will be initiated by the Company to transfer shares held by the members to such Demat Account without further notice. Please note that no claim shall lie against the Company in respect of the shares so transferred to such Demat Account. Upon transfer, the Shareholders will be able to claim these equity shares pursuant to IEPFA Rules by making an online application in Form IEPF-5, the details of which are available at www.iepf.gov.in. The Company has also uploaded the details of shareholders and shares due for transfer to IEPF Authority on its website at www.apmindustries.co.in.
16. **Voting through electronic means-**
In accordance with the provision of section 108 of the Companies Act, 2013 read with Companies (Management & Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, the shareholders may exercise their option to participate through electronic voting system and the company is providing the facility for voting by electronic means (remote e-voting) to all its members. The company has engaged the services of National Securities Depository Limited (NSDL) to provide remote e-voting facilities and enabling the members to cast their vote in a secured manner. It may be noted that this remote e-voting facility is optional.
"Voting by electronic means" or "electronic voting system" means a 'secured system' based process of display of electronic ballots, recording of votes of the members and the number of votes polled in favour or against, such that the entire voting exercise by way of electronic means gets registered and counted in an electronic registry in the centralized server with adequate 'cyber security'.
"Remote e-voting " means the facility of casting vote by a member using an electronic voting system from a place other than venue of a General Meeting. It also helps the shareholders to cast their vote from anywhere and at any time during E-voting period.
This facility will be available at the link www.evoting.nsdl.com during the following voting period:

Commencement of remote e-voting	: From 9.00 A.M. on September 19, 2018 (Wednesday)
End of remote e-voting	: Upto 5.00 P.M. on September 21, 2018 (Friday)

Remote e-voting shall not be allowed beyond 5.00 P.M., on September 21, 2018 (Friday). During the remote e-voting period, the shareholders of the company, holding shares either in physical form or dematerialized form, as on the closing of business hours of the cutoff date, may cast their vote electronically. The cut-off date for eligibility for remote e-voting is **September 15, 2018 (Saturday)**. A person who is not a member as on cut-off date should treat this notice for information purpose only. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of **September 15, 2018 (Saturday)**. The facility for voting through ballot paper shall also be available at the AGM and the members attending the meeting shall be able to exercise their right to vote at the meeting through ballot paper in case they have not casted their vote by remote e-voting. In case of joint holders attending the AGM, the member whose name appears as the first holder in the order of names as per the Register of members of the Company will be entitled to vote.

A member can opt for only one mode i.e. through remote e-voting or voting at Annual General Meeting. If a member casts votes by both modes, then voting done through remote e-voting shall prevail and the voting at Annual General Meeting shall be treated as invalid. The Members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

Contact details of concerned person for remote e-voting:

Jyoti Upadhyay
Company Secretary
Ph. No. 011-26441015

17. The login ID and password for remote e-voting are being sent to the members, who have not registered their e-mail IDs with the company, along with physical copy of the notice. Those members who have registered their e-mail IDs with the company / their respective Depository Participants are being forwarded the login ID and password for e-voting by e-mail.

The procedure to login to e-Voting website consists of two steps as detailed hereunder:

Step 1: Log-in to NSDL e-Voting system

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/>.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. cast your vote electronically.
4. Your User ID details will be as per details given below :
 - a) For Members who hold shares in demat account with NSDL: 8 Character DP ID followed by 8 Digit Client ID (For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****).
 - b) For Members who hold shares in demat account with CDSL: 16 Digit Beneficiary ID (For example if your Beneficiary ID is 12***** then your user ID is 12*****).
 - c) For Members holding shares in Physical Form: EVEN Number followed by Folio Number registered with the company (For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***).
5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - i. If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL on your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ii. If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details / Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) "**Physical User Reset Password?**" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of the Company.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders:

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF / JPG Format) of the relevant Board Resolution / Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail info@csrsm.com to with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details / Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
18. Any person who becomes a member of the Company after dispatch of the Notice of the meeting and holding shares as on the cut-off date i.e. September 15, 2018 (Saturday), may obtain the User ID and password from:-

M/s Skyline Financial Services Private Limited (RTA)
D-153 A, First Floor, Okhla Industrial Area,
Phase-I, New Delhi-110020
Telephone: 011-40450193-97
Fax: 011-26812682
Email: admin@skylinerta.com

19. The Company has appointed Shri Ravi Sharma (FCS 4468), a Practicing Company Secretary, CP No. 3666, as 'scrutinizer' for conducting and scrutinizing the e-voting process in a fair and transparent manner. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, count the votes cast at the Meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make, not later than two days of conclusion of the Meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing who shall countersign the same. The result declared along with the Scrutinizer's Report shall be placed on the Company's website www.apmindustries.co.in and on the website of NSDL i.e. www.evoting.nsdl.com immediately. The Company shall simultaneously forward the results to BSE Limited, where the shares of the Company are listed. The result shall also be displayed at the notice board at the Registered Office of Company.
20. The register of members and share transfer books of the Company will remain closed from **September 15, 2018 (Saturday) to September 22, 2018 (Saturday)** both days inclusive for payment of Dividend and AGM.
21. The route map showing directions to reach the venue of the 44th AGM is annexed.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013

The following Explanatory Statements, as required under Section 102 (1) of the Companies Act, 2013, set out all material facts relating to the business under Item No. 4 to 6 of the accompanying Notice.

ITEM NO. 4 & 5 - REVISION IN TERMS OF REMUNERATION OF SHRI RAJENDRA KUMAR RAJGARHIA (DIN: 00141766), CHAIRMAN AND SHRI HARI RAM SHARMA (DIN: 00178632), MANAGING DIRECTOR OF THE COMPANY

Shri Rajendra Kumar Rajgarhia aged 80 years was appointed as Whole Time Director designated as Chairman and Shri Hari Ram Sharma aged 67 years was appointed as Managing Director of the Company for a period of 5 years (Five Years) w.e.f. June 1, 2016 to May 31, 2021 on the terms and conditions including remuneration as approved in the 42nd Annual General Meeting of the Company held on September 24, 2016. They are also entitled to perquisites and allowances including Contribution to Provident Fund, Gratuity provided that the aggregate of the remuneration shall be within the maximum limits as laid down under Sections 196, 197, 203 and all other applicable provisions, if any, of the Companies Act, 2013 read with Schedule V of the Act as amended from time to time.

Minimum Remuneration: In terms of the provisions of Section II of Part II of Schedule V of the Companies Act, 2013, where in any financial year, during the currency of the tenure of managerial personnel, the Company has no profits or its profits are inadequate, the remuneration can be paid by the Company to its managerial personnel as minimum remuneration within the limits arrived at in accordance with the requirements of the said section II, subject to the following:-

- (i) The payment of remuneration is approved by a resolution passed by the Board and also by the Nomination and Remuneration Committee of Directors.
- (ii) There is no default in repayment of any of its debts or interest payable thereon.
- (iii) An ordinary / special resolution as the case may be, has been passed for payment of remuneration as per limit laid down in item (A) of Section II of Part II of Schedule V of the Companies Act, 2013 for a period not exceeding three years.

The Board of Directors and Nomination and remuneration committee at their meeting held on August 6, 2018, have already approved the revision in terms of remuneration payable to Shri Rajendra Kumar Rajgarhia and Shri Hari Ram Sharma for a period of three years i.e. June 1, 2018 to May 31, 2021. The Company has no inadequate profits in the previous year 2017-18 and for the quarter ended June 30, 2018 in current financial year 2018-19. However, out of abundant caution and in view of the relevant extant provisions of law relating to managerial remuneration and in case where in any financial year, during the currency of the tenure of **Shri Rajendra Kumar Rajgarhia** as Chairman and **Shri Hari Ram Sharma** as Managing Director, the Company has no profits or its profits are inadequate, the remuneration paid will be subject to the limits and conditions prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time. Further, the Company has not made any default in repayment of any of its debts or interest payable thereon.

Except for the aforesaid revision in terms of salary, all other terms and conditions of their appointment in the Company as approved by the members of the Company shall remain unchanged.

Your Directors recommend a final dividend of Rs 1/- per equity share on face value of Rs 2/- each (50%) for the financial year 2017 - 18 (Previous year 100%), subject to approval of the members.

DIRECTORS' RESPONSIBILITY STATEMENT

In accordance with the provisions of Section 134(3) (c) and 134(5) of the Companies Act, 2013 the Board hereby submits its responsibility Statement:

- (a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year i.e. March 31, 2018 and of the profit and loss of the company for that period;
- (c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the Directors have prepared the annual accounts on a going concern basis;
- (e) the Directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively, and
- (f) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

INTERNAL FINANCIAL CONTROLS

The Company has adequate internal control systems in place, and also has reasonable assurance on authorizing, recording and reporting transactions of its operations. The Company has a well-placed, proper and adequate internal controls environment, commensurate with its size, scale and complexities of its operations. The Company had already developed and implemented a framework for ensuring internal controls over financial reporting. Internal control systems are an integral part of your Company's Corporate Governance structure. These have been designed to provide reasonable assurance with regard to inter-alia a. recording and providing reliable financial and operational information; b. complying with the applicable statutes; c. safeguarding assets from unauthorized use; d. executing transactions with proper authorization, and ensuring compliance with corporate policies e. Prevention and detection of Frauds / errors; f. Continuous updating of IT systems. The Company's management has assessed the effectiveness of the Company's internal control over financial reporting as of March 31, 2018. Your Company has appointed M/s TN Chaturvedi & Co., Chartered Accountants; New Delhi to assess the effectiveness of internal financial controls of the Company. The Company's internal financial controls were adequate and operating effectively.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

- i. **Declaration by Independent Directors:** - The Company has received declarations from all the Independent Directors of the Company confirming that they meet the criteria of Independence as prescribed both under the Companies Act, 2013 and Regulation 16(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

- ii. **Retirement by Rotation:** - In accordance with the provisions of the Companies Act, 2013 and applicable Regulations issued by the Securities & Exchange Board of India, Shri Hari Ram Sharma (DIN: 00178632), Managing Director of the Company will retire by rotation at the forthcoming Annual General Meeting ('AGM') and being eligible, offers himself for re-appointment. The Board recommends his re-appointment. The brief resume and others details as required under SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Companies Act, 2013 are provided in the Notice of Annual General Meeting of the Company.

- iii. **Revision in remuneration:** - The Board of Directors in its Meeting held on August 6, 2018, on the recommendation of Nomination and Remuneration Committee at its Meeting held on the same day, approved revision in terms of remuneration of Shri Rajendra Kumar Rajgarhia, Chairman and Shri Hari Ram Sharma, Managing Director of the Company for a period of three years i.e., from June 1, 2018 to May 31, 2021. Revision in terms of remuneration of Shri Rajendra Kumar Rajgarhia, Chairman and Shri Hari Ram Sharma, Managing Director of the Company, as per the details provided in the Notice convening the Annual General Meeting, is recommended for the approval of members.

- iv. **Board/Directors' Evaluation:** - The Board has carried out an annual performance evaluation of its own performance, its committees and individual Directors pursuant to the provisions of the Act, SEBI Listing Regulations and the Guidance Note on Board evaluation issued by the Securities and exchange Board of India on January 5, 2017. The annual performance evaluation of all the Independent Directors has been done by the entire Board, excluding the Director being evaluated. Pursuant to the provisions of the Companies Act, 2013 and Regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Nomination and Remuneration Committee has carried out evaluation of every Director's performance. The Independent Directors, in a separate meeting, has also carried out the performance evaluation of the Non-Independent Directors and the Board as a whole and of the Chairman of the company and has reviewed the performance of the Secretarial Department. The Directors expressed their satisfaction with the evaluation process. The performance evaluation criteria for independent directors are disclosed in the section on the corporate governance of the annual report.

ANNEXURE – II TO BOARDS' REPORT

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2018

[Pursuant to section 204(1) of the Companies Act, 2013 read with Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members

APM Industries Limited

CIN: L21015RJ1973PLC015819

Registered Office: SP-147, RIICO Industrial Area

Bhiwadi, Dist. Alwar

Rajasthan- 301019

We have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **APM INDUSTRIES LIMITED** (hereinafter called the Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board - Processes and Compliance – Mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2018 according to the provisions of:-

1. The Companies Act, 2013 ("the Act") and Rules made thereunder as amended/modified;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye - laws framed thereunder;
4. The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable to the Company during the audit period);**
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations 2014, **(Not applicable to the Company during the audit period);**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. **(Not applicable to the Company during the audit period);**
 - (f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding Companies Act and dealing with client; **(Not applicable as the Company is not registered as Registrar and Transfer Agent during the audit period);**
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the audit period);**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. **(Not applicable to the Company during the audit period). and**
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
6. We further report that, we relied on the representation made by the Company and its officer for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.
7. We further report that the compliances by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

8. We have also examined the compliances with the applicable clauses of the following:-

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India; and
- (ii) The Listing Agreement entered into by the Company with Stock Exchanges.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

9. We further report that:-

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act;

Adequate notice is given to all Directors to schedule the Board Meetings, agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting; and

Majority of decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of meetings of the Board of Directors or committee of the Board, as the case may be.

There are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliances with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has passed following resolution which is having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines standard etc:-

- (i) Approval of Merger, Amalgamation and reconstruction with APM Finvest Limited

This report is to be read with our letter of even date which is annexed as **"Annexure-1"** and form an integral part of this report.

ANNEXURE – IV TO BOARDS' REPORT

1. PREAMBLE

In pursuance of the Company's policy to consider human resources as its invaluable assets, to pay equitable remuneration to all Directors, key managerial personnel and employees of the company, to harmonize the aspirations of human resources consistent with the goals of the company and in terms of the provisions of the Companies Act, 2013 and the Listing Agreement with the stock exchanges (as amended from time to time), this policy on nomination and remuneration of Directors, Key Managerial Personnel (KMP) and Senior Management has been formulated by the Nomination and Remuneration/Compensation Committee ("NRC") and approved by the Board of Directors of the Company.

2. DEFINITIONS

- 2.1 Act means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.
- 2.2 Board means Board of Directors of the company.
- 2.3 Directors mean Directors of the company.
- 2.4 Key Managerial Personnel means:
 - 2.4.1 Chief Executive Officer or the Managing Director;
 - 2.4.2 Whole-time director;
 - 2.4.3 Chief Financial Officer;
 - 2.4.4 Company Secretary; and
 - 2.4.5 Such other officer as may be prescribed.
- 2.5 Senior Management means personnel of the company who are members of its core management team excluding the Board of Directors but including Functional Heads.
- 2.6 Listing agreement shall mean an agreement that is entered into between a recognized stock exchange and an entity, on the application of that entity to the recognized stock exchange, undertaking to comply with conditions for listing of designated securities.

3. GUIDING PRINCIPLES

The Nomination and Remuneration Committee and this policy shall be in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Regulation 19(4) under the Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015.

4. ROLE OF THE COMMITTEE

The role of the Committee inter-alia will be the following:-

- a. formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees.
- b. formulation of criteria for evaluation of performance of independent directors and the board of directors;
- c. devising a policy on diversity of board of directors;
- d. identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the board of directors their appointment and removal;
- e. whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors.

5. CONSTITUTION OF COMMITTEE

The Board of Directors of the Company (the Board) shall constitute the committee to be known as the Nomination and Remuneration Committee consisting of three or more non-executive directors out of which not less than one-half are independent directors. The Chairman of the Committee is an Independent Director. However, the chairperson of the company (whether executive or nonexecutive) may be appointed as a member of the Nomination and Remuneration Committee but shall not chair such Committee.

6. FREQUENCY OF MEETING

The meeting of the Committee shall be held at such regular interval as may be required.

COMMITTEE MEMBERS' INTERESTS

- 6.1. A member of the Committee is not entitled to be present when his or her own remuneration is discussed at a meeting or when his or her performance is being evaluated.
- 6.2. The Committee may invite such executives, as it considers appropriate, to be present at the meetings of the Committee.

7. SECRETARY

The Company Secretary of the company shall act as Secretary of the Committee.

8. BOARD DIVERSITY

The Board should consist of minimum three Directors and maximum fifteen Directors.

Provided that Company may appoint more than fifteen Directors after passing a Special resolution.

The Board shall consist of such number of Directors, including at least one women Director and not less than fifty percent of the Board of Directors comprising non-executive directors, as is necessary to effectively manage the Company of its size.

Where the chairperson of the board of directors is a non-executive director, at least one-third of the board of directors shall comprise of independent directors and where the listed entity does not have a regular non-executive chairperson, at least half of the board of directors shall comprise of independent directors.

Provided that where the regular non-executive chairperson is a promoter of the listed entity or is related to any promoter or person occupying management positions at the level of board of director or at one level below the board of directors, at least half of the board of directors of the listed entity shall consist of independent directors.

The Committee will lead the process for Board appointments. All Board appointments will be based on the skills, diverse experience, independence and knowledge which the Board as a whole requires to be effective. The Board may consider diversifying its existing structure by appointment of experts from various specialized fields such as finance, law, information technology, corporate strategy, marketing and business development, international business, operations management etc. so as to bring diversified skill sets on board or succeed any outgoing director with the same expertise.

9. POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT

9.1. Appointment Criteria and Qualifications

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment.
- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person are sufficient / satisfactory for the concerned position.
- c) The Company shall not appoint or continue the employment of any person as Whole-time Director who is below the age of 21 years or who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.
- d) No person, shall be appointed as a Director who hold office as a director, including any alternate directorship, in more than twenty companies at the same time: Provided that the maximum number of public companies in which a person can be appointed as a Director shall not exceed ten.

9.2. Term / Tenure

- a) **Managing Director/Whole-time Director:** The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.
- b) **Independent Director:** An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report. No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director

serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company or such other number as may be prescribed under the Act. The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at regular interval (yearly).

10. DIRECTORS' REMUNERATION

10.1.1 Remuneration to Managing/Whole-time / Executive / Managing Director, KMP and Senior Management Personnel:

The Remuneration/ Compensation/ Commission etc. to be paid to Director / Managing Director etc. shall be governed as per provisions of the Companies Act, 2013 and rules made there under or any other enactment for the time being in force. While deciding the remuneration of Managing Director and Whole-time Directors, the Nomination and Remuneration Committee and the Board should consider pay and employment conditions in the industry and merit and seniority of the person.

The term of office and remuneration of whole time directors are subject to approval of the Board of Directors, shareholders and the limit laid down under the Companies Act, 2013 from time to time.

10.2 Remuneration to Non- Executive / Independent Director:

The Non-Executive Independent Director may receive remuneration / compensation / commission as per the provisions of Companies Act, 2013. The amount of sitting fees shall be subject to ceiling/ limits as provided under Companies Act, 2013 and rules made there under or any other enactment for the time being in force.

11. KEY MANAGERIAL PERSONNEL & SENIOR MANAGEMENT

Appointment of KMP and senior management and their cessation of the service are subject to the approval of the Nomination and Remuneration

Committee and Board of Directors. Remuneration of KMP and senior management is decided by the Managing Director on the recommendation by the Whole Time Directors / Executive Directors concerned.

12. REMOVAL

Due to reasons for any disqualifications mentioned in the Act or under any other applicable Act, rules and regulations there under, or any other reasons, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, rules and regulations.

13. RETIREMENT

The Directors, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

14. DISCLOSURE OF INFORMATION

The information of remuneration may be disclosed in the Company's annual financial statements as per statutory requirements.

15. REVIEW AND AMENDMENT

- The NRC or the Board may review the Policy as and when it deems necessary.
- This Policy may be amended or substituted by the NRC or by the Board as and when required and also by the Compliance Officer where there is any statutory changes necessitating the change in the policy.

ANNEXURE – IX TO BOARDS' REPORT

CORPORATE GOVERNANCE

A Report on compliance with the Corporate Governance provisions as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations" or "SEBI (LODR) Regulations, 2015") is given herein below:

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company believes that good Corporate Governance is a pre-requisite for achieving sustainable corporate growth and enhancing value for all stakeholders in the business. Good Corporate Governance emerges from transparency in business dealings and having in place robust systems and processes defining accountability, integrity, fairness and ethics in business practices, thereby fulfilling the responsibilities of corporate citizenship.

2. COMPOSITION & CATEGORY OF BOARD OF DIRECTORS

- 2.1 The Board of Directors as on March 31, 2018, comprised of six Directors, of which three were Non-Executive and Independent Directors (including one woman Director), One Non-Executive and Non Independent Director, One Executive Chairman and one Managing Director. The composition of the Board is in conformity with Regulation 17 of the Listing Regulations read with Section 149 of the Act.
- 2.2 None of the Directors on the Board is a Member of more than 10 Committees and Chairperson of more than 5 Committees (Committees being Audit Committee and Stakeholders Relationship Committee, as per Regulation 26(1) of the Listing Regulations), across all the Companies in which he/ she is a Director. The necessary disclosures regarding committee positions have been made by all the Directors.
- 2.3 In case of business exigencies, the Board's approval was taken through circular resolution/s. The circular resolution/s is noted at the subsequent Board Meeting.
- 2.4 The necessary quorum was present for all the meetings.
- 2.5 The names and categories of the Directors on the Board, their attendance at Board Meetings held during the financial year 2017-18 and at the last Annual General Meeting (AGM) and the number of Directorships and Committee Chairmanships / Memberships held by them in other public limited companies as on March 31, 2018 are given herein below:

CFO CERTIFICATE

To

Board of Directors
APM Industries Limited

Dear Sir,

I, C. S. Vijay, hereby certify that:

- A. I, have reviewed financial statements and the cash flow statement for the year and that to the best of my knowledge and belief:
1. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 2. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. To the best of my knowledge and belief, no transactions entered into by the Company during the year which is fraudulent, illegal or violated of the Company's code of conduct.
- C. I accept responsibility for establishing and maintaining internal controls for financial reporting. I have evaluated the effectiveness of internal control systems of the listed entity pertaining to financial reporting and disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which they are aware and the steps they have taken or propose to take to rectify these deficiencies.
- D. I have indicated to the auditors and the Audit committee that:
1. No significant changes in internal control over financial reporting during the year;
 2. No significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 3. No instances of significant fraud of which I have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To

The Members,

APM INDUSTRIES LIMITED

1. This certificate is issued in accordance with the terms of our engagement letter dated September 25, 2017.
2. We have examined the compliance of conditions of Corporate Governance by APM Industries Limited ('the Company') for the year ended on 31 March, 2018, as stipulated in Regulations 17 to 27, Clauses (b) to (i) of Regulation 46(2), and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

Management's Responsibility

3. The compliance of conditions of Corporate Governance is the responsibility of the Management including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of Corporate Governance as stipulated in the Listing Regulations.

Auditor's Responsibility

4. Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of Corporate Governance as stated in paragraph 2 above. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We have examined the relevant records of the Company in accordance with the applicable generally accepted auditing standards in India, the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ('ICAI'), and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on the procedures performed by us and to the best of our information and according to the explanations provided to us, in our opinion, the Company has complied, in all material respects, with the conditions of Corporate Governance as stipulated in the Listing Regulations during the year ended 31 March, 2018.
8. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

9. This certificate is issued solely for the purpose of complying with the aforesaid regulations and may not be suitable for any other purpose.

MANAGEMENT DISCUSSION AND ANALYSIS

[Schedule V – Regulation 34(3) of SEBI (LODR) Regulations, 2015]

Introduction

Management Discussion and Analysis mainly comprise of the statements which, inter-alia, involve predictions based on perceptions and may, therefore, be prone to risks and uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which may be forward looking within the meaning of applicable laws and regulations. The actual results could differ materially from those expressed herein specifically or impliedly.

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

In India, many states announced capital subsidy and interest subsidy apart from the Technology Upgradation Fund Scheme (TUFS) announced by the Government of India for new investments in the textile sector. However, under the Amended Technology Upgradation Fund Scheme (ATUFS) the capital investment subsidy is not available to spinning sector. The pace of investments was not higher than the previous years due to reduced export of all textile products.

With positive sentiments about consistent growth projections for India and implementation of GST from July 2017, we expect to do well in coming year.

b) OPPORTUNITIES & THREATS

We expect that there will be good growth potential in the apparel sector. With the growth of automobiles, demand for technical textiles will also increase. The awareness of fashion amongst the young generation is pushing up the per capita consumption of textiles in India. The Government of India has been given special incentives to the garment sector under TUF Scheme, which are all opportunities.

The fall in yarn prices, sluggish demand and short term disruptions due to implemented Good & Service Tax (GST) is a threat to the industry. Also there is a shortage of skilled / unskilled labour, which is affecting the working of the company.

c) SEGMENT-WISE PERFORMANCE

The Company operates in two business segments i.e. manufacturing of synthetic blended yarn and finance & investment, accordingly segment wise reports has been provided wherever required.

Yarn: The Profit before Tax and Profit after Tax for the year under review amounted to R 1209.00 Lakhs and Rs 720.00 Lakhs respectively as compared to Rs 1570.00 Lakhs and Rs 879.00 Lakhs, in the previous financial year. The Company's net profit has been decreased during the year mainly due to increase in power cost.

Finance and Investment: - The Profit before Tax and Profit after Tax for the year under review amounted to R 593.00 Lakhs and Rs 533.00 Lakhs respectively as compared to Rs 748.00 Lakhs and Rs 720.00 Lakhs, in the previous financial year. The profit has been decreased due to Indian markets witnessed volatility during the last year, as recent rally was skewed towards very few sector and stocks, overall returns on MF / PMS portfolio are under performing in last year. Which is leading to losses in the investment portfolio as recent investments in mid / small cap funds have not done well.

The Company has no activity outside India except export of yarn manufactured in India; therefore, there is no geographical segment .

d) OUTLOOK

The company continues to modernize its plant and machinery and add balancing equipment. The production capacity remains 55584 spindles during the Financial Year 2017-18.

The company has replaced 24 Nos. Two for one Twister Machines, 6 Nos. Automatic cone winding machines, 6 Nos. cheese winding machines & 3 Nos. Ring Frame machines with balancing machinery for modernization of plant & machinery. The company has further installed additional Cheese winding machines 2 No., two for one twisters 8 no. to increase doubling capacity & 2 no Automatic cone winding machines to meet

increased production requirements. The company has also installed 1 MW Solar power plant in the year 2017-18. This would enable the company to improve quality of products & save cost of production.

The company has further plan to install sewing thread dyeing & cone/ Tube winding machines having capacity 30 MT/ month, 3 No. TFO machine, and replace 33 KV power supply system to 132 KV power supply system & coal fired boiler to gas fired boiler. This would enable the company to save cost of production & profitability.

e) RISKS & CONCERNS

Volatile oil prices directly influence pressure on Polyester Fibre prices almost on daily basis. This cannot be passed on to the customers on day to day basis. Hence new element of risk has been introduced in yarn industry. Also the non-availability of trained / skilled man power is a matter of concern.

f) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has a professional internal control system, which provides adequate safeguards and effective monitoring of transactions. The company has a strong internal audit system and an independent Internal Auditor. The Internal Auditor reports to the Chairman, and the Audit Committee of the Board. Personnel of the Internal Auditor conduct periodical audits in all the areas to ensure that the company's control mechanism is properly followed and all statutory requirements are duly complied with.

g) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATING PERFORMANCE

The operating performance of the Company has been discussed in Directors Report under the head Financial Summary and State of Company Affairs/ Operations. The profit before tax for the year 2017-18 was at Rs 18.02 crores as against Rs. 23.18 crores in the year 2016-17.

h) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The company treats its human resources as its most important asset and believes in its contribution to the all-round growth of the company. Your company's progress is a reflection and outcome of the human resources it has. Your company has fostered a culture of ownership, accountability and self-evaluation that encourages employees to continuously improve on their efficiency. The industrial relations remained cordial throughout the year.

i) OVERVIEW OF THE COMPANY'S PERFORMANCE

During the year 2017-18, the production of synthetic blended yarn was higher i.e. 173 lakh Kgs as compared to 169 lakh kgs in 2016-17. The gross revenue also increased by 10.17% from Rs.258 crores to Rs.285 crores. This was due to a increase in the sale volume and the prices of finished products. Net profits reduced from Rs.16.03 crores in 2016-17 to Rs.12.54 Crores in 2017-18, which was mainly due increase in the power cost.

The earnings per share for the year 2017-18 was Rs.5.79 as compared to the previous year's Rs.9.30.

j) LONG TERM AND SHORT TERM STRATEGY OF COMPANY

The company has installed Solar power plant of 1 MW during the year 2017-18 to save power cost on long term basis.

k) CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's expectations or predictions may be forward looking within the meaning of applicable laws or regulations. Actual results may differ materially from those expressed or implied.

INDEPENDENT AUDITORS' REPORT

**The Members of
APM INDUSTRIES LIMITED**

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS Financial Statements of APM Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act, read with relevant rules made thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind AS Financial Statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder, of the state of affairs of the Company as at March 31, 2018, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these Ind AS Financial Statements, are based on the previously issued audited financial statements for the period ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by Chaturvedi & Co., on which they have expressed an unmodified opinion dated May 12, 2017 and May 13, 2016 respectively. The adjustments for the differences in the accounting principles adopted by the Company on transition to the Ind AS, have been audited by us.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order to the extent possible.
2. As required by section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone Ind AS Financial Statements comply with the Accounting Standards specified under section 133 of the Act, read with the relevant rules issued thereunder;
 - e. on the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS Financial Statements- Refer Note 37;
 - ii. the Company has made provision, as required under the applicable law or accounting standards for material foreseeable losses. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE A REFERRED IN INDEPENDENT AUDITORS REPORT OF EVEN DATE

The Annexure referred to in Independent Auditors' Report to the members of APM Industries on the standalone Ind AS Financial Statements for the year ended March 31, 2018, we report that:

- i. a. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- b. These Fixed assets have been physically verified by the management during the year pursuant to a regular programme designed for physical verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us, title deeds of immovable properties have been mortgaged as security with lenders i.e. banks for security of the borrowings raised by the company. On the basis of our examination of records of the company and the copies of the title deeds available with the company, title deeds of immovable properties are held in the name of the company.
- ii. Physically verification of inventories has been conducted at reasonable interval by the management and no material discrepancies were noticed.
- iii. According to the information and explanations given to us, the Company has not granted any loan, secured or unsecured, to companies, firms, LLP firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the clause iii (a), (b) and (c) of paragraph 3 of the Order are not applicable to the Company.
- iv. According to the information and explanation given to us, the company has not, directly or indirectly, advance any loan, including any loan represented by a book debt, to any of its directors or to any other person in whom the directors are interested or give any guarantee or provide any security in connection with any loan taken by him or such other person. The Company had complied with the provision of Section 186 of the Companies Act, 2013 regarding investment and loan.
- v. According to the information and explanations given to us, the Company has not accepted any deposit during the year. Accordingly, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company specified by the Central Government under Sub Section (1) of Section 148 of the Companies Act, 2013 and rules thereunder and are of the opinion that prima facie the prescribed cost records have been made and maintained. We have however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. a. The Company is regular in depositing undisputed statutory dues including provident fund, employee state insurance, income tax, Good and Service Tax, sales tax, service tax, duty of customs, value added tax, cess and other statutory dues, as applicable with the appropriate authorities and there are no outstanding

statutory due outstanding at year end for a period of more than six months from the date they became payable.

- b. According to the information and explanation given to us, there were no disputed amounts payable in respect of income tax, sales tax, service tax, duty of customs, value added tax or cess as at March 31, 2018 except:

Name of the Statute	Nature of Dues	Amount (Rs. in lakhs)	Financial Year	Forum where dispute is pending	Remarks
Income Tax Act, 1961	Income Tax	2.00	AY 2011-12	Commissioner Appeal	Adjusted from Refundable tax
Income Tax Act, 1961	Income Tax	4.00	AY 2014-15	ITAT Jaipur	Adjusted from Refundable tax
The Central Excise Act, 1944	Excise Duty	138.00	FY 2016-17	Additional Commissioner	Adjustable from GST Input Tax Credit Balance
Finance Act, 1994	Service Tax	7.00	FY 2015-16 FY 2016-17	Assistant Commissioner	

- viii. In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of dues to any bank or financial institution. The Company did not have any debenture outstanding during the year.
- ix. According to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer during the year. The term loan availed during the year were applied for the purpose for which term loan was taken.
- x. According to the information and explanation given to us, no fraud by the company or on the company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us, the Company has paid or provided managerial remuneration in accordance with the requisite approval mandated by the provisions of Section 197 read with Schedule V of the Companies Act, 2013.
- xii. The company is not a Nidhi Company. Accordingly, the clause xii of paragraph 3 of the Order is not applicable to the Company.
- xiii. The company has complied with the provisions of the sections 177 and 188 of the Companies Act, 2013 and have disclosed the details in the Ind AS Financial Statements as required by the applicable accounting standard with respect to the transaction with the related parties during the year.
- xiv. According to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debenture during the year under review. Accordingly, the clause xiv of paragraph 3 of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us, the company has not entered into any non-cash transaction with directors or person connected with them. Accordingly, the clause xv of paragraph 3 of the Order is not applicable to the Company.
- xvi. The company is not required to be registered under section 45 –IA of Reserve Bank of India Act, 1934. Accordingly, the clause xvi of paragraph 3 of the Order is not applicable to the Company.

Annexure - B REFERRED IN INDEPENDENT AUDITORS REPORT OF EVEN DATE

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of "APM INDUSTRIES LIMITED ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements

for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

1. Company Overview

APM INDUSTRIES LIMITED (the Company) having its registered office at SP-147, RIICO Industrial Area, Bhiwadi, Dist. Alwar-301019, Rajasthan India, is a Public Limited Company domiciled in India and is incorporated in India under the provisions of Companies Act, 1956. The company is engaged in the manufacturing and selling of Man Made Fibre's Spun Yarn and Finance & Investment Business. The corporate office of the Company is located at 910, Chiranjiv Tower, 43, Nehru Place, New Delhi-110019, India.

2. Recent accounting pronouncement

Standards issued but not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

Amendments to Ind AS 12 Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact.

These amendments are effective for annual periods beginning on or after April 1, 2018. The company is in the process of assessing the impact of this amendment.

Appendix B to Ind AS 21, foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to IndAS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Company has evaluated the effect of this on the financial statements and the impact is not material.

Transfers of Investment Property — Amendments to Ind AS 40

The amendments clarify when an entity should transfer property, including property under construction or development into, or out of investment property. The amendments state that a change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. A mere change in management's intentions for the use of a property does not provide evidence of a change in use.

Entities should apply the amendments prospectively to changes in use that occur on or after the beginning of the annual reporting period in which the entity first applies the amendments. An entity should reassess the classification of property held at that date and, if applicable, reclassify property to reflect the conditions that exist at that date. Retrospective application in accordance with Ind AS 8 is only permitted if it is possible without the use of hindsight. The amendments are effective for annual periods beginning on or after April 01, 2018. The Company will apply amendments when they become effective. However, since Company's current practice is in line with the clarifications issued, the Company does not expect any effect on its financial statements

Amendments to Ind AS 112 Disclosure of Interests in Other Entities: Clarification of the scope of disclosure requirements in Ind AS 112

The amendments clarify that the disclosure requirements in Ind AS 112, other than those in paragraphs B10–B16, apply to an entity's interest in a subsidiary, a joint venture or an associate (or a portion of its interest in a joint venture or an associate) that is classified (or included in a disposal group that is classified) as held for sale.

The Company has not included any of its subsidiary, joint ventures or associate in disposal group /classified as held for sale. Accordingly, the amendments in Ind AS 112 will not have any impact on the Company.

Ind AS 115- Revenue from Contract with Customers:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition: Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach). The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018. The effect on adoption of Ind AS 115 is expected to be insignificant.

3. Significant Accounting policies

3.1. Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended and the relevant provisions of Companies Act, 2013 and guidelines issued by the Security and Exchange Board of India (SEBI), as applicable.

The Company has prepared its financial statements up to the year ended March 31, 2017 in accordance with generally accepted accounting principles in India, including accounting standards read with Section 133 of the Companies Act, 2013 notified under Companies (Accounting Standards) Rules, 2006 ("Previous GAAP"). These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 01, 2016. **Refer note 4** below for the details of first time adoption exemptions availed by the Company.

3.2. Basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended and presentation requirements of Division II to Schedule III to the Act under the historical cost convention on the accrual basis except for the following:

- a. Certain financial assets and liabilities that are measured at fair value
- b. Assets held for sale – measured at the lower of carrying amount and fair value less costs to sell
- c. Defined benefit plans – plan assets measured at fair value

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3.3. Critical accounting judgments and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Although these estimates are based upon the management's best knowledge of current events, actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation: The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingences and commitments: In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, company treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the company do not expect them to have a materially adverse impact on the financial position or profitability.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Income taxes: The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Useful lives of property, plant and equipment: As described in Note 3.8, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

Allowances for doubtful debts: The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgment and estimates.

3.4. Operating Cycle and Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realized or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realized within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3.5. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment inclusive of excise duty and excluding taxes or duties collected on behalf of government.

Sale of Goods Revenue from the sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been transferred to the buyer, usually on delivery of the goods.

Revenue from Services

Revenue from services is recognised in the accounting period in which the services are rendered.

Interest income Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends Dividend income from investments is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Profit/Loss on sale of units of Mutual funds/Bonds/Shares are accounted on transfer of ownership.

3.6. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitor and review the operating results of the whole company as two segments of manmade fibre spurn yarn and finance and investment business. Thus, as defined in Ind AS 108 'Operating Segment' the company's entire business falls under the two operating segments and hence the necessary information's has been disclosed in the financial statements.

3.7. Foreign Currencies

Functional and presentation Currencies: The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

3.8. Property, plant and equipment

Property, plant and equipment (PPE) are initially recognized at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and useful lives.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight-line method ("SLM") in the manner prescribed in schedule II to the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the company reflect the periods over which these assets are expected to be used. Such classes of assets and their estimated useful lives are as under;

S. No	Nature of Asset/Component of an Assets	Useful life of assets/components of assets
1	Building	30-60 years
2	Plant and Equipment	25 years
3	Electrical Equipment	10 years
4	Power Generation Unit	40 years
5	Furniture and Fixtures	10 years
6	Office Equipment	5 years
7	Vehicles	8-10 years
8	Computer Software	6 years

Cost of leasehold Land is being amortized over the period of lease of 99 years.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in statement of profit or loss. Fully depreciated assets still in use are retained in financial statements.

3.9. Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.10. Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in statement of profit or loss.

The Company amortizes intangible assets with a finite useful life using the straight-line method over the useful lives determined by the terms of the agreement /contract. The estimated useful life is reviewed annually by the management.

3.11. Impairment of Assets

Financial assets: The Company assesses on a forward-looking basis the expected credit loss associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

PPE and intangibles assets: Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

3.12. Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognized only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

3.13. Leases

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Operating Lease: Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding in inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognized in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

Finance Lease: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in statement of profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

3.14. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.15. Provisions and Contingent Liabilities:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of

the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is disclosed, where an inflow of economic benefit is probable. An entity shall not recognize a contingent asset unless the recovery is virtually certain.

3.16. Inventories

Inventories of raw materials and stores and parts are valued at lower of cost on Weighted Average Cost and net realizable value. Cost of raw materials and stores and spares is determined on weighted average cost method. Cost comprises all cost of purchase, taxes and other cost incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Work in progress and finished goods are valued at lower of cost on Weighted Average Cost and net realizable value. Cost includes direct material, labour, cost of conversion and other overheads incurred in bringing the inventory to their present location and condition.

Saleable scrap, whose cost is not identifiable, is valued at net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion/costs necessary to make the sale.

3.17 Non-derivative financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

a. Investments and Financial assets

Cash and cash equivalents: The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

Trade Receivables and Loans: Trade receivables are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt Instruments: Debt instruments are initially measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Investment in subsidiary: Investment in subsidiary is recognized at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-Current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

Equity Instruments: All investments in equity instruments other than in subsidiary classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

b. Investments and Financial assets – Subsequent measurement

Financial assets at amortized cost: Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

c. Financial liabilities

All financial liabilities are initially recognized at fair value. The financial liabilities includes trade and other payables, other financial liabilities, loans and borrowings.

d. Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, carrying amounts approximate the fair value due to the short maturity of these instruments.

e. Derecognition of financial instrument

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liabilities) is de-recognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

f. Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

g. Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the equity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

3.18. Impairment of non-financial assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of such reporting period.

3.19. Exceptional items

Items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company are disclosed as Exceptional items in the Statement of Profit & Loss.

3.20. Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Other borrowing costs are expensed in the period in which they are incurred.

3.21. Employee Benefits

Employee benefits consist of short term obligations, contribution to employees state insurance, provident fund, gratuity fund and compensated absences.

A. Short Term Obligations

Liabilities for wages and salaries including non-monetary benefits that that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Compensated Absences

The employees are entitled to accumulate leave upto 30 days for future encashment and availment, as per the policy of the Company. The liability towards such unutilized leave as at the year end is determined based on independent actuarial valuation and recognized in the Statement of Profit and Loss.

The classification of the Company net obligation into current and non-current is as per the actuarial valuation report.

The Company fully contributes all ascertained liabilities demanded by Life Insurance Corporation of India for Employee Company Leave Encashment cum Life Assurance (Cash Accumulation) administered by it.

The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Company presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Company has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability.

C. Defined Contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

D. Defined benefit plans:

The Company operates defined benefit plan in the form of gratuity. The liability or asset recognized in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest expenses are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognized in the Statement of Profit and loss.

The Company fully contributes all ascertained liabilities to the APM Industries Limited (Unit Orient Syntex) Employee Gratuity Fund Trust ('the Trust'). Trustees took the policy from Life Insurance Corporation of India to administer contributions made to the Trust.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

3.22. Borrowings

Borrowings are initially recognized at net of transaction costs incurred and measured at amortized cost. Any difference between the prospects (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowing using the effective interest method.

3.23. Manufacturing and operating expenses

The Company classifies separately manufacturing and operating expenses which are directly linked to manufacturing and service activities of the company.

3.24. Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Equity shares outstanding during the year –Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential Ordinary shares.

4. Explanation of transition to Ind AS

As stated in Note 3.1, the Company's financial statements for the year ended March 31, 2018 are the first annual financial statements prepared by the Company in order to comply with Ind AS. The adoption of Ind AS was carried out in accordance with Ind AS 101, using April 01, 2016 as the transition date. The transition was carried out from Previous GAAP (based on the AS framework) to Ind AS. The effect of adopting Ind AS has been summarized in the reconciliations provided below.

Ind AS 101 generally requires full retrospective application of the Standards in force at the first reporting date. However, Ind AS 101 allows certain exemptions in the application of particular Standards to prior periods in order to assist companies with the transition process.

Exemptions Availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

- a. The Company has elected to continue with the carrying value of all of its plant and equipment and intangible assets as recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date. Revaluation reserve created earlier on revaluation of property plants and Equipment has been transferred to retained earnings.
- b. The company has classified the financial assets and financial liabilities in accordance with Ind AS-109 on the basis of facts and circumstances that existed at the date of transition to Ind AS.

Reconciliations The accounting policies as stated above in Note 3 have been applied in preparing the financial statements for the year ended March 31, 2018, the financial statements for the financial year ended March 31, 2017 and the preparation of an opening Ind AS statement of financial position as at April 1, 2016. In preparing its opening Ind AS Balance Sheet, Balance Sheet and Statement of Profit and Loss for the financial year ended March 31, 2017, the Company has adjusted amounts reported in financial statements prepared in accordance with Previous GAAP.

An explanation of how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables:

i. Reconciliation of equity:

(in lakhs otherwise stated)

Particulars	As at March 31, 2017	As at April 1, 2016
Equity as per Previous GAAP	19,739	18,882
Fair valuation/Impairment of Investment (net)	485	77
Deferred tax liabilities-Investment (net)	(167)	(73)
Deferred tax liabilities on revaluated assets	(2,180)	(2,215)
Others*	-	-
Deferred tax on Ind AS adjustment*	-	-
Equity as per Ind AS	17,877	16,671

*Amount is Less than Rs. One Lakh

ii. Reconciliation of total comprehensive income:

(in lakhs otherwise stated)

Particulars	For the year ended March 31, 2017
Profit for the year as per Previous GAAP	1,250
Re-measurement of employees defined benefits plans	7
Effect of financial assets fair valuation	408
Others*	-
Impact of Deferred tax on above	(62)
Net Profit for the year as per Ind AS	1,603
Others Comprehensive income (net of income tax)	(4)
Total comprehensive income as per Ind AS	1,599

*Amount is Less than Rs. One Lakh

iii. Explanation of material adjustments to Statement of Cash Flows for the financial year ended March 31, 2017:

The transition from Previous GAAP to Ind AS has no material impact on the Statement of Cash Flows.

Footnotes to the Reconciliations

- a) **Property Plant and Equipment:** The Company has elected to continue with the carrying value of all of its plant and equipment and intangible assets as recognised as of April 01, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date. Revaluation reserve created earlier on revaluation of property plants and Equipment has been transferred to retained earnings.

- b) **Fair Valuation of Investments**

Under the previous GAAP, investments in equity instruments and mutual funds were classified as long term investments or current investments based on the intended holding period and realisability. Long term investments were carried at cost less provision for other than temporary decline in the value of such investment. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes have been recognized in retained earnings.

- c) **Deferred tax:** Current income tax component on the gain/ (loss) on fair value of defined benefit plans have been transferred to the OCI under Ind AS. Deferred tax has been recognised on the adjustments made on transition to Ind AS.

- d) **Other equity:** Adjustments to retained earnings and OCI have been made in accordance with Ind AS, for the transition items.

- e) The previous GAAP figures have been reclassified to conform to Ind AS presentation requirements for the purposes.

- f) **Excise Duty:** Under Previous GAAP, excise duty was netted off against sale of goods. However, under Ind AS, excise duty is included in sale of goods and is separately presented as expense on the face of Statement of Profit and Loss. Thus, sale of goods under Ind AS has increased with a corresponding increase in expenses.

- g) **Defined benefits obligations:** Under Ind AS, actuarial gains and losses are recognised in the OCI as compared to being recognised in the Statement of Profit and Loss under the previous GAAP.

- h) **Finance Lease Assets:** As per Ind AS -17- Lease, the Company has recognized finance lease assets at their fair value and corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation and provided depreciation as per the policy.

(a) Risk Management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings less cash and cash equivalents. Total capital is calculated as equity as shown in the balance sheet plus all other reserves attributable to equity shareholders of the Company.

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Borrowings	4702	4139	2882
Less : Cash and cash equivalents	38	33	24
Net Debt	4664	4106	2858
Equity	19,000	17,877	16,671
Gearing Ratio (times)	0.25	0.23	0.17

(b) Dividend

	As at March 31, 2018	As at March 31, 2017
Equity Shares		
Interim Dividend for the year ended March 31, 2018 of INR- NIL (March 31, 2017-INR 1.50) per equity share	-	324
Final dividend for the year ended March 31, 2017 of INR-0.50 per equity share	108	-
Dividends not recognized at the end of the reporting period		
In addition to the above dividends, since year end the directors have recommended the payment of a final dividend of INR 1.00 per equity share. (March 31, 2017 – INR 0.50). This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.	216	108

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

43.1

Financial-Risk-Management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, borrowing strategies and ensuring compliance with market risk limits and policies.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

a. Exposure to interest rate risk related to borrowings with floating rate of Interest

(Rs. In Lakhs)

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Total Borrowings	2,489	2,566	2,204

b. Interest rate sensitivity

(Rs. In Lakhs)

	2017-18	2016-17
50 bp increase would decrease the profit before tax by	(13)	(13)
50 bp decrease would Increase the profit before tax by	13	13

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to import of store and spare and other materials. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

b) Credit Risk:

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing with creditworthy customers.

The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors such as financial condition, ageing of accounts receivable and the Company's historical experience for customers.

As at March 31, 2018, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company liquidity position through rolling forecasts on the basis of expected cash flows.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(Rs. in lakhs)

Particulars	On Demand	Less than 1 year	1-5 years	> 5 years	Total payments
March 31, 2018					
Long Term Borrowings (including Current maturities of long terms debts)	-	542	1606	64	2,212
Finance Lease Obligations	-	-	-	1	1
Short Term Borrowings	-	2,489	-	-	2,489
Trade and other payables	-	1,393	-	-	1,393
Payable related to Capital Goods	-	98	-	-	98
Other financial liabilities (Current and Non-current)	-	644	-	-	644
March 31, 2017					
Long Term Borrowings (including Current maturities of long terms debts)	-	431	1141	-	1572
Finance Lease Obligations	-	-	-	1	1
Short Term Borrowings	394	2,172	-	-	2,566
Trade and other payables	-	1,373	-	-	1,373
Payable related to Capital Goods	-	46	-	-	46
Other financial liabilities (Current and Non-current)	-	651	-	-	651
April 1, 2016					
Long Term Borrowings (including Current maturities of long terms debts)	-	158	519	-	677
Finance Lease Obligations	-	-	-	1	1
Short Term Borrowings	365	1,839	-	-	2,204
Trade and other payables	-	1,555	-	-	1,555
Capital Creditors	-	3	-	-	3
Other financial liabilities (Current and Non-current)	-	677	-	-	677

- 44. Financial instruments by category**
The carrying value and fair value of financial instruments by categories as at 31 March 2018 were as follows:

(Rs. In Lakhs)

Particulars	Amortized cost	Financial assets/liabilities at fair value through profit or loss	Financial assets/liabilities at fair value through OCI	Total Carrying Value	Total Fair Value
Assets:					
(a) Investment in equity shares (Quoted)	-	164	-	164	164
(b) Other Investment in equity shares of subsidiary (Unquoted)	200		-	200	200
(c) Other Investment in other than equity shares (Unquoted)	-	6,571	-	6,571	6,571
(d) Investment in other than equity shares (Quoted)	193			193	193
(e) Trade receivables	2,652	-	-	2,652	2,652
(f) Loans	350	-	-	350	350
(g) Other financial assets	192	-	-	192	192
(h) Cash and cash equivalent	38	-	-	38	38
(i) Bank balances	151	-	-	151	151
Liabilities:					
(a) Borrowings	4,702	-	-	4,702	4,702
(b) Trade payables	1,393	-	-	1,393	1,393
(c) Other financial liabilities	742	-	-	742	742

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- (a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

APM INDUSTRIES LIMITED

- 52.** The Board of Directors of the Company vide resolution dated January 11, 2018, approved the Scheme of Arrangement ("Scheme") under section 230-232 read with section 66 of the Companies Act, 2013 ("Act") between APM Industries Limited ("Demerged Company") and APM Finvest Limited ("Resulting Company"), a wholly owned subsidiary of the Demerged Company, and their respective shareholders and creditors. The Company had filed the Scheme with the BSE for approval on February 22, 2018 for Observation/No Objection letter which is still awaited. However, the Scheme is subject to approval of BSE Limited, the Securities and Exchange Board of India, Shareholders and Creditors of both the Companies and such other statutory authorities as may be required and sanction thereof by the Hon'ble National Company Law Tribunal, New Delhi Bench. The Appointed date being April 1, 2018 (or such other date as may be decided by the Board of both the companies with consent or as per the direction by the Tribunal), the proposed transaction will not have any effect in the current performance and state of affairs of the Company for the financial year ended March 31, 2018.
- 53.** All amounts in the financial statements and notes have been rounded off to the nearest lakhs as per requirement of Schedule III except per share data and as otherwise stated. Figures in brackets represent corresponding previous year figures.

See accompanying notes to the financial statements.

INDEPENDENT AUDITORS' REPORT

The Members of

APM INDUSTRIES LIMITED

1. Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **APM INDUSTRIES LIMITED** (hereinafter referred to as "the Holding Company" or "the Company") and its subsidiary (Holding company and its subsidiary together referred to as, "the group") comprising of the Consolidated Balance sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated cash flow statement and the consolidated statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended (hereinafter referred to as 'the consolidated Ind AS financial statements').

2. Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated Ind AS financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group, in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with relevant rules made thereunder. The Holding Company's Board of Directors and the Board of Directors/Management of the subsidiary included in the Group are responsible for the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. Further, in terms of the provisions of the Act, the respective Board of Directors of the Holding Company and its subsidiary company which is incorporated in India are responsible for maintenance of adequate accounting records; safeguarding the assets; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us, the audit evidence obtained by the other auditors in terms of their report and necessary financial information provided by the management as referred to in paragraph 5(a) below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at March 31, 2018 and their consolidated profit (including other comprehensive income), their consolidated cash flows and the changes in equity for the year ended on that date.

5. Other Matters

- a. We did not audit the financial statements of APM FINVEST LIMITED (Indian subsidiary) prepared as per Indian GAAP and same have been audited by other auditors whose reports have been furnished to us by the management and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditors. As stated in the Note- 3.1 of the Consolidated Ind AS financial statements, the management has provided necessary information for the purpose of Ind AS compliant Consolidated Financial Statements which reflect total assets of Rs. 228 lakhs as at March 31, 2018 and total revenues of Rs. 30 lakhs for the year ended on that date. Our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosure included in respect of the subsidiary is based solely on such information. Our opinion is not qualified in respect of this matter.
- b. The comparative financial information of the Company for the year ended March 31, 2017, (being the first year of consolidation as subsidiary was incorporated on May 13, 2016) included in these Consolidated Ind AS financial statements, are based on the previously issued consolidated audited financial statements for the period ended March 31, 2017 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by Chaturvedi & Co., on which they have expressed an unmodified opinion dated May 12, 2017. The adjustments for the differences in the accounting principles adopted by the Company on transition to the Ind AS, have been audited by us.

6. Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of the Report of the other auditor on financial statement and other financial information of the subsidiary, we report to the extent applicable that

- a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Ind AS consolidated financial statement.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Ind AS consolidated financial statement have been kept by the Group so far as appears from our examination of those books and the reports of other auditors;
- c. In our opinion, the Ind AS consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Ind AS financial statements;
- d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder;
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the auditor who are appointed under Section 139 of the Act, of its subsidiary company, none of the directors

- of the Group is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in “**Annexure A**”, which is based on the auditors’ reports of the Holding company and subsidiary company incorporated in India and
 - g. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us,
 - i. The Consolidated Ind AS financial statements have disclosed the impact of pending litigations on its consolidated financial position of the group in its Consolidated Ind AS financial statements-Refer Note 38 of the Consolidated Ind AS financial statements;
 - ii. The Group has made provision in the Consolidated Ind AS financial statements, as required under the applicable law or accounting standards for material foreseeable losses. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary.

**ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF
EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL
STATEMENTS**

1. Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of APM INDUSTRIES LIMITED (hereinafter referred to as “the Holding Company”) and its subsidiary company, which is a company incorporated in India, as of that date.

2. Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary company, which is a company incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the holding company and its subsidiary as aforesaid based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India and deemed to be prescribed u/s 145(10) of the Act. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all

material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of the report referred to in Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the holding company and its subsidiary.

4. Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company and its subsidiary company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

7. Other matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one subsidiary Company, which is company incorporated in India, is based on the corresponding report of the auditors of such subsidiary incorporated in India. Our opinion is not qualified in this matter.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

1. Company Overview

APM INDUSTRIES LIMITED (the Company or the holding company) and its subsidiary together referred to as the "Group" mainly deals in the manufacturing and selling of Man Made Fibre's Spun Yarn and Non-Banking Financial Business.

2. Recent accounting pronouncement

Standards issued but not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

Amendments to Ind AS 12 Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact.

These amendments are effective for annual periods beginning on or after April 1, 2018. The company is in the process of assessing the impact of this amendment.

Appendix B to Ind AS 21, foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Company has evaluated the effect of this on the financial statements and the impact is not material.

Transfers of Investment Property — Amendments to Ind AS 40

The amendments clarify when an entity should transfer property, including property under construction or development into, or out of investment property. The amendments state that a change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. A mere change in management's intentions for the use of a property does not provide evidence of a change in use.

Entities should apply the amendments prospectively to changes in use that occur on or after the beginning of the annual reporting period in which the entity first applies the amendments. An entity should reassess the classification of property held at that date and, if applicable, reclassify property to reflect the conditions that exist at that date. Retrospective application in accordance with Ind AS 8 is only permitted if it is possible without the use of hindsight. The amendments are effective for annual periods beginning on or after April 01, 2018. The Company will apply amendments when they become effective. However, since Company's current practice is in line with the clarifications issued, the Company does not expect any effect on its financial statements

Amendments to Ind AS 112 Disclosure of Interests in Other Entities: Clarification of the scope of disclosure requirements in Ind AS 112

The amendments clarify that the disclosure requirements in Ind AS 112, other than those in paragraphs B10–B16, apply to an entity's interest in a subsidiary, a joint venture or an associate (or a portion of its interest in a joint venture or an associate) that is classified (or included in a disposal group that is classified) as held for sale.

The Company has not included any of its subsidiary, joint ventures or associate in disposal group /classified as held for sale. Accordingly, the amendments in Ind AS 112 will not have any impact on the Company.

Ind AS 115- Revenue from Contract with Customers:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange

for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition : Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach). The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018. The effect on adoption of Ind AS 115 is expected to be insignificant.

3. Significant Accounting policies

3.1. Statement of Compliance

These consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended, the relevant provisions of Companies Act, 2013 and guidelines issued by the Security and Exchange Board of India (SEBI), as applicable.

The group has prepared its financial statements up to the year ended March 31, 2017 in accordance with generally accepted accounting principles in India, including accounting standards read with Section 133 of the Companies Act, 2013 notified under Companies (Accounting Standards) Rules, 2006 ("Previous GAAP"). These are the Company's first Ind AS consolidated financial statements. The date of transition to Ind AS is April 01, 2016. **Refer note 4** below for the details of first time adoption exemptions availed by the Company.

During the financial year ended March 31, 2017, the company had prepared consolidated financial statement for the first time as the subsidiary was incorporated on May 13, 2016. Hence the consolidated balance sheet as on April 1, 2016 is not given. Further, Pursuant to Companies (Indian Accounting Standards) (Amendment) Rules, 2016 (hereinafter 'Rules'), as notified by Ministry of Corporate Affairs on March 30, 2016, management has provided the relevant data of APM Finvest Limited (WOS- NBFC) in accordance with Ind AS for the purpose of preparation of consolidated financial statement, as Ind AS is not applicable to NBFC Subsidiary for Financial Year 2017-18.

3.2. Basis of preparation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended, and presentation requirements of Division II to Schedule III to the Act under the historical cost convention on the accrual basis except for the following:

- a. Certain financial assets and liabilities that are measured at fair value
- b. Assets held for sale – measured at the lower of carrying amount and fair value less costs to sell
- c. Defined benefit plans – plan assets measured at fair value

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3.3. Basis of Consolidation

These consolidated financial statements incorporate the financial statements of the Holding Company and its subsidiary. Control is achieved when the Holding Company has power over the investee, is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to use its power to affect its returns.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Profit or loss and each component of other comprehensive income are attributed to the shareholders of the Company and to the non-controlling interests. Total comprehensive income of subsidiary is attributed to the shareholders of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiary to bring their accounting policies into line with the Group's accounting policies. All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation. The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

3.4. Principles of Consolidation

- a) Subsidiary company is consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and resulting unrealized profits or losses on intra-group transactions as per Indian Accounting Standard 110.
- b) The financial statements of the Subsidiary used in the consolidation are drawn up to the same reporting date as that of the Holding Company, i.e. March 31, 2018.

- c) The excess of cost to the Group, of its investment in the subsidiary over the Group's share of equity is recognised in the consolidated financial statements as Goodwill and tested for impairment annually.
- d) The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements.
- e) The subsidiary which is included in the consolidation and the company's holding therein are as under:

Name of the company	2017-18	2016-17
Wholly owned subsidiary		
APM Finvest Limited w.e.f May 13, 2016	100%	100%

3.5. Critical accounting judgments and key sources of estimation uncertainty

The preparation of the consolidated financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the consolidated financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Although these estimates are based upon the management's best knowledge of current events, actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments In the process of applying the Group accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the consolidated financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation: The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingences and commitments: In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, company treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the company do not expect them to have a materially adverse impact on the financial position or profitability.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Income taxes: The Group tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Useful lives of property, plant and equipment: As described in Note 3.10, the Group reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

Allowances for doubtful debts: The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgment and estimates.

3.6. Operating Cycle and Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realised or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realised within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its normal operating cycle.

3.7. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment inclusive of excise duty and excluding taxes or duties collected on behalf of government.

Sale of Goods

Revenue from the sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been transferred to the buyer, usually on delivery of the goods.

Revenue from Services

Revenue from services is recognised in the accounting period in which the services are rendered.

Interest income Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends Dividend income from investments is recognised when the Group right to receive the payment is established, which is generally when shareholders approve the dividend.

Profit/Loss on sale of unit of Mutual funds/Bonds/Shares are accounted on transfer of ownership

In case of Non-banking financial company, interest income is recognized on a time proportion taking into account the amount outstanding and the interest rate applicable. In terms of RBI directives 2016, interest income on non-performing assets shall be recognized only when it is actually realized.

3.8. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitor and review the operating results of the whole company as two segments of Manmade fibre spurn yarn and finance and investment business. Thus, as defined in Ind AS 108 'Operating Segment' the company's entire business falls under the two operating segments and hence the necessary information's has been disclosed in the consolidated financial statements.

3.9. Foreign Currencies

Functional and presentation Currencies: The consolidated financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Group operates.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

3.10. Property, plant and equipment

Property, plant and equipment (PPE) are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets and subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be

measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and useful lives.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight- line method ("SLM") in the manner prescribed in schedule II to the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the company reflect the periods over which these assets are expected to be used. Such classes of assets and their estimated useful lives are as under:

S. No	Nature of Asset/Component of an Assets	Useful life of assets/components of assets
1	Building	30-60 years
2	Plant and Equipment	25 years
3	Electrical Equipment	10 years
4	Power Generation Unit	40 years
5	Furniture and Fixtures	10 years
6	Office Equipment	5 years
7	Vehicles	8-10 years
8	Computer Software	6 years

Cost of leasehold Land is being amortized over the period of lease of 99 years.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit or loss. Fully depreciated assets still in use are retained in consolidated financial statements.

3.11. Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.12. Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in statement of profit or loss.

The Company amortises intangible assets with a finite useful life using the straight-line method over the useful lives determined by the terms of the agreement /contract. The estimated useful life is reviewed annually by the management.

3.13. Impairment of Assets

Financial assets: The Company assesses on a forward-looking basis the expected credit loss associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

PPE and intangibles assets: Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication

exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

3.14. Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

3.15. Leases

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Operating Lease: Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding in inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

Finance Lease: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in statement of profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Group general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

3.16. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.17. Provisions and Contingent Liabilities:

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is disclosed, where an inflow of economic benefit is probable. An entity shall not recognize a contingent asset unless the recovery is virtually certain.

3.18. Inventories

Inventories of raw materials and stores and parts are valued at lower of cost on Weighted Average Cost and net realizable value. Cost of raw materials and stores and spares is determined on weighted average cost method. Cost comprises all cost of purchase, taxes and other cost incurred in bringing the inventories to their present location and condition.

Work in progress and finished goods are valued at lower of cost on Weighted Average Cost and net realizable value. Cost includes direct material, labour, cost of conversion and other overheads incurred in bringing the inventory to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Saleable scrap, whose cost is not identifiable, is valued at net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion/costs necessary to make the sale.

3.19. Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

a) Investments and Financial assets

Cash and cash equivalents: The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks, which are unrestricted for withdrawal and usage.

Trade Receivables and Loans: Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt Instruments: Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Equity Instruments: All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

b. Investments and Financial assets – Subsequent measurement

Financial assets at amortized cost: Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI): Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is

achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL): Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

c. Financial liabilities

All financial liabilities are initially recognized at fair value. The financial liabilities includes trade and other payables, other financial liabilities, loans and borrowings.

d. Financial liabilities - Subsequent measurement

Financial liabilities are measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, carrying amounts approximate the fair value due to the short maturity of these instruments.

e. Derecognition of financial instrument

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liabilities) is de-recognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

f. Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

g. Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the equity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

3.20. Impairment of non-financial assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of such reporting period.

3.21. Exceptional items

Items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Group are disclosed as Exceptional items in the Statement of Profit & Loss.

3.22. Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

3.23. Employee Benefits

Employee benefits consist of short term obligations, contribution to employees state insurance, provident fund, gratuity fund and compensated absences.

A. Short Term Obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Compensated Absences

The employees are entitled to accumulate leave upto 30 days for future encashment and availment, as per the policy of the Group. The liability towards such unutilized leave as at the yearend is determined based on independent actuarial valuation and recognized in the Statement of Profit and Loss.

The classification of the Group net obligation into current and non- current is as per the actuarial valuation report.

The Company fully contributes all ascertained liabilities demanded by Life Insurance Corporation of India for Employee Group Leave Encashment cum Life Assurance (Cash Accumulation) administered by it.

The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Company presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Company has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability.

C. Defined Contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Group provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Group has no further defined obligations beyond the monthly contributions.

D. Defined benefit plans:

The Group operates defined benefit plan in the form of gratuity. The liability or asset recognized in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest expense are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognized in the Statement of Profit and loss.

The Group fully contributes all ascertained liabilities to the APM Industries Limited (Unit Orient Syntex) Employee Gratuity Fund Trust ('the Trust'). Trustees took the policy from Life Insurance Corporation of India to administer contributions made to the Trust.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

3.24. Borrowings

Borrowings are initially recognized at net of transition costs incurred and measured at amortised cost. Any difference between the prospects (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowing using the effective interest method.

3.25. Manufacturing and operating expenses

The Group classifies separately manufacturing and operating expenses which are directly linked to manufacturing and service activities of the Group.

3.26. Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Equity shares outstanding during the year. –Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential Ordinary shares.

4. Explanation of transition to Ind AS

As stated in Note 3.1, the Company's consolidated financial statements for the year ended March 31, 2018 are the first annual financial statements prepared by the Company in order to comply with Ind AS. The adoption of Ind AS was carried out in accordance with Ind AS 101, using April 01, 2016 as the transition date. The transition was carried out from Previous GAAP (based on the AS framework) to Ind AS. The effect of adopting Ind AS has been summarized in the reconciliations provided below.

Ind AS 101 generally requires full retrospective application of the Standards in force at the first reporting date. However, Ind AS 101 allows certain exemptions in the application of particular Standards to prior periods in order to assist companies with the transition process.

Exemptions Availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

- a. The Company has elected to continue with the carrying value of all of its plant and equipment and intangible assets as recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date. Revaluation reserve created earlier on revaluation of property plants and Equipment has been transferred to retained earnings.
- b. The company has classified the financial assets and financial liabilities in accordance with Ind AS-109 on the basis of facts and circumstances that existed at the date of transition to Ind AS.

Reconciliations The accounting policies as stated above in Note 3 have been applied in preparing the consolidated financial statements for the year ended March 31, 2018 and the consolidated financial statements for the financial year ended March 31, 2017. In preparing consolidated Ind AS Balance Sheet and Statement of Profit and Loss for the financial year ended March 31, 2017, the Company has adjusted amounts reported in consolidated financial statements prepared in accordance with Previous GAAP.

An explanation of how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables:

i. Reconciliation of equity:

(Rupees in lakhs)

Particulars	As at March 31, 2017
Equity as per Previous GAAP	19,740
Fair valuation/Impairment of Investment (net)	485
Deferred tax liabilities-Investment (net)	(167)
Deferred tax liabilities on revaluated assets	(2,180)
Others	0*
Deferred tax on Ind AS adjustment	0*
Equity as per Ind AS	17,878

*Amount is Less than Rs. One Lakh

ii. Reconciliation of total comprehensive income:

(Rupees in lakhs)

Particulars	For the year ended March 31, 2017
Profit for the year as per Previous GAAP	1,251
Re-measurement of employees defined benefits plans	7
Effect of financial assets fair valuation	408
Others	0*
Impact of Deferred tax on above	(62)
Net Profit for the year as per Ind AS	1,604
Others Comprehensive income (net of income tax)	(4)
Total comprehensive income as per Ind AS	1,600

*Amount is Less than Rs. One Lakh

iii. Explanation of material adjustments to Statement of Cash Flows for the financial year ended March 31, 2017:

The transition from Previous GAAP to Ind AS has no material impact on the Statement of Cash Flows.

Footnotes to the Reconciliations

- (a) **Property Plant and Equipment:** The Company has elected to continue with the carrying value of all of its plant and equipment and intangible assets as recognised as of April 01, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date. Revaluation reserve created earlier on revaluation of property plants and Equipment has been transferred to retained earnings.
- (b) **Fair Valuation of Investments**

Under the previous GAAP, investments in equity instruments and mutual funds were classified as long term investments or current investments based on the intended holding period and realisability. Long term investments were carried at cost less provision for other than temporary decline in the value of such investment. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes have been recognised in retained earnings.
- (c) **Deferred tax:** Current income tax component on the gain/ (loss) on fair value of defined benefit plans have been transferred to the OCI under Ind AS. Deferred tax have been recognised on the adjustments made on transition to Ind AS.
- (d) **Other equity:** Adjustments to retained earnings and OCI have been made in accordance with Ind AS, for the transition items.
- (e) The previous GAAP figures have been reclassified to conform to Ind AS presentation requirements for the purposes.
- (f) **Excise Duty:** Under Previous GAAP, excise duty was netted off against sale of goods. However, under Ind AS, excise duty is included in sale of goods and is separately presented as expense on the face of Statement of Profit and Loss. Thus, sale of goods under Ind AS has increased with a corresponding increase in expenses.
- (g) **Defined benefits obligations:** Under Ind AS, actuarial gains and losses are recognised in the OCI as compared to being recognised in the Statement of Profit and Loss under the previous GAAP.
- (h) **Finance Lease Assets:** As per Ind AS -17- Lease, the Company has recognised finance lease assets at their fair value and corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation and provided depreciation as per the policy.

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumption occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognized in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

vii. The defined benefit obligations shall mature after year end March 31, 2018 as follows:
(Rupees in lakhs)

Year	As at March 31, 2018	As at March 31, 2017
2018	-	289
2019	326	22
2020	56	15
2021	42	30
2022	22	32
Thereafter	222	228

The above information is as certified by the actuary.

44. Financial risk management and policies
44.1 Capital Management
(a) Risk Management

The Group aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The group will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings less cash and cash equivalents. Total capital is calculated as equity as shown in the balance sheet plus all other reserves attributable to equity shareholders of the Company.

APM INDUSTRIES LIMITED

CIN No. L21015RJ1973PLC015819

	As at March 31, 2018	As at March 31, 2017
Borrowings	4702	4139

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

44.2

Financial-Risk-Management

The Group principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Group operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Groups is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

a) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, borrowing strategies and ensuring compliance with market risk limits and policies.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

a. Exposure to interest rate risk related to borrowings with floating rate of Interest

(Rs. In Lakhs)

Particulars	As at March 31, 2018	As at March 31, 2017
Total Borrowings	2,489	2,566

b. Interest rate sensitivity

(Rs. In Lakhs)

	2017-18	2016-17
50 bp increase would decrease the profit before tax by	(13)	(13)
50 bp decrease would increase the profit before tax by	13	13

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to

import of store and spare and other materials. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

b) Credit Risk:

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Group has adopted a policy of only dealing with creditworthy customers.

The Group uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors such as financial condition, ageing of accounts receivable and the Company's historical experience for customers.

As at March 31, 2018, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the consolidated financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c) Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group liquidity position through rolling forecasts on the basis of expected cash flows.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(Rs. in lakhs)

Particulars	On Demand	Less than 1 year	1-5 years	> 5 years	Total payments
March 31, 2018					
Long Term Borrowings (including Current maturities of long terms debts)	-	542	1,606	64	2,212
Finance Lease Obligations	-	-	-	1	1
Short Term Borrowings	-	2,489	-	-	2,489
Trade and other payables	-	1,394	-	-	1,394
Payable related to Capital Goods	-	98	-	-	98
Other financial liabilities (Current and Non-current)	-	644	-	-	644
March 31, 2017					
Long Term Borrowings (including Current maturities of long terms debts)	-	431	1,141	-	1,572
Finance Lease Obligations	-	-	-	1	1
Short Term Borrowings	394	2,172	-	-	2,566
Trade and other payables	-	1,373	-	-	1,373
Payable related to Capital Goods	-	46	-	-	46
Other financial liabilities (Current and Non-current)	-	651	-	-	651

44. Financial instruments by category

The carrying value and fair value of financial instruments by categories as at 31 March 2018 were as follows:

(Rs. In Lakhs)

Particulars	Amortized cost	Financial assets/liabilities at fair value through profit or loss	Financial assets/liabilities at fair value through OCI	Total Carrying Value	Total Fair Value
Assets:					
(a) Investment in equity shares (Quoted)	-	278	-	278	278
(b) Other Investment in other than equity shares (Unquoted)	-	6,571	-	6,571	6,571
(c) Investment in other than equity shares (Quoted)	193	-	-	193	193
(d) Trade receivables	2,652	-	-	2,652	2,652
(e) Loans	450	-	-	450	450
(f) Other financial assets	193	-	-	193	193
(g) Cash and cash equivalent	51	-	-	51	51
(h) Bank balances	151	-	-	151	151
Liabilities:					
(a) Borrowings	4,702	-	-	4,702	4,702
(b) Trade payables	1,394	-	-	1,394	1,394
(c) Other financial liabilities	742	-	-	742	742

The carrying value and fair value of financial instruments by categories as at 31 March 2017 were as follows:

(Rs. In Lakhs)

Particulars	Amortized cost	Financial assets/liabilities at fair value through profit or loss	Financial assets/liabilities at fair value through OCI	Total Carrying Value	Total Fair Value
Assets:					
(a) Investment in equity shares (Quoted)	-	148	-	148	148
(b) Other Investment in other than equity shares (Unquoted)	-	5,467	-	5,467	5,467
(c) Investment in other than equity shares (Quoted)	193	-	-	193	193
(d) Trade receivables	2,754	-	-	2,754	2,754
(e) Loans	475	-	-	475	475
(f) Other financial assets	131	-	-	131	131
(g) Cash and cash equivalent	38	-	-	38	38
(h) Bank balances	120	-	-	120	120
Liabilities:					
(a) Borrowings	4,139	-	-	4,139	4,139
(b) Trade payables	1,373	-	-	1,373	1,373
(c) Other financial liabilities	697	-	-	697	697

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- (a) Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments
- (b) Financial instruments with fixed and variable interest rates are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables

B. Fair value hierarchy:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Input other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or the liabilities that are not based on observable market data (unobservable inputs).

(Rupees in lakhs)

Assets	March 31, 2018			March 31, 2017		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Investment in other than equity shares (Unquoted) #	6571	-	-	5467		
Investment in equity shares (Quoted)	278	-	-	148	-	-
Investment in other than equity shares (Quoted)	193	-	-	193		

Fair value has been taken as per Net Asset Value (NAV) declared by the venture capital fund.

46.

Income tax expense:

a) Tax expense recognized in the consolidated Statement of Profit and Loss

(Rupees in lakhs)
